

## Adding money to a pirate gold GSB account

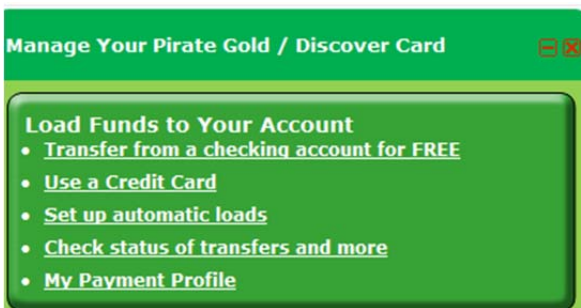

1. Go to [www.onecardgivesback.com/ncmc](http://www.onecardgivesback.com/ncmc) and login using your card information and access code.

*Note: If you are having trouble logging in and know your password, call: 1-866-400-8627. If you have forgotten your password, click the "forgot password?" link.*

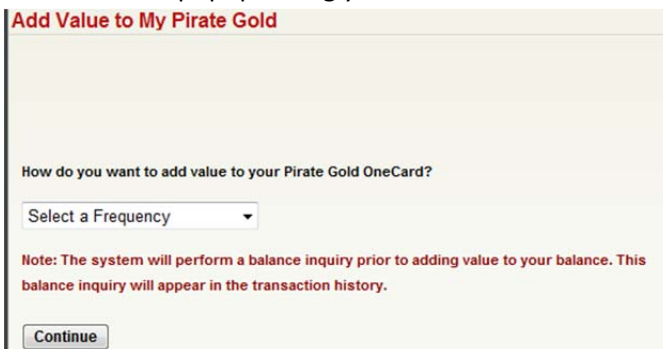

The image shows a login page with a dark background. At the top, it says "Welcome!". Below that, there are two radio buttons: "Card Number" (selected) and "OR User ID". There are input fields for "Card Number", "OR User ID", and "Password". A red "LOG IN" button is below the password field. Below the button, there are links for "Forgot password?" and a "Remember me" checkbox. At the bottom, it says "Start making every purchase count."

2. Once logged in, select the preferred method of fund transfer such as: transfer from a checking account for free, use a credit card, etc.

The image shows a green header with the text "Manage Your Pirate Gold / Discover Card". Below the header, there is a green box with the title "Load Funds to Your Account" and a list of options: "Transfer from a checking account for FREE", "Use a Credit Card", "Set up automatic loads", "Check status of transfers and more", and "My Payment Profile".

3. A window will popup asking you to select the "add value" frequency. Do this and click continue.

The image shows a page titled "Add Value to My Pirate Gold". Below the title, there is a question: "How do you want to add value to your Pirate Gold OneCard?". Below the question, there is a dropdown menu labeled "Select a Frequency". Below the dropdown menu, there is a note: "Note: The system will perform a balance inquiry prior to adding value to your balance. This balance inquiry will appear in the transaction history." At the bottom, there is a "Continue" button.

4. On the following window, choose your preferred method of adding the funds and click continue.
