

ARTICULATION AGREEMENT

Cottey College and North Central Missouri College

This Agreement is between Cottey College (hereafter “COTTEY”), a private, liberal arts women’s college located in Nevada Missouri and North Central Missouri College, a two-year institution of higher education located in Trenton, Missouri (hereafter “NCMC”) for the purpose of providing a seamless, personalized transfer of female NCMC students to COTTEY.

COTTEY and NCMC agree as follows:

TRANSFER OF COURSES

1. NCMC courses will transfer to COTTEY per established transfer equivalency guide. NCMC students are subject to the transfer requirement guidelines regarding maximum transferable credits, grades, and GPA as described in the COTTEY catalog current for the semester in which they apply for admission. The COTTEY catalog is found online at the COTTEY website: www.cottey.edu
2. NCMC will provide interested students with copies of the COTTEY Transfer Equivalency Guide for NCMC courses, the List of Courses That Will Fulfill Core Requirement Outcomes for Baccalaureate Degrees designed for NCMC, the COTTEY Bachelor of Arts General Education Core Curriculum, and transfer tracks for COTTEY baccalaureate degrees.
3. NCMC students may petition NCMC courses not on the designated Transfer Equivalency Guide if those courses are appropriate to the learning outcomes (for example, Physical Education courses worth 2 credit hours for Outcome VIII).
4. NCMC students earning transfer credit through a third-party institution must provide an official transcript to COTTEY in order for the credit to be applied to their degree.

TRANSFER SCHOLARSHIP

NCMC will inform students regarding the transfer scholarship available from COTTEY as follows:

Students who earn an Associate degree from NCMC and who are admitted to COTTEY will be eligible for the following COTTEY transfer scholarships, based on cumulative college GPA.

\$4,000 Scholarship - college GPA 3.5 - 4.00

\$3,000 Scholarship - college GPA 3.2 - 3.49

\$2,000 Scholarship - college GPA 3.0 - 3.19

Transfer scholarships are per year for the 3rd and 4th years of the COTTEY baccalaureate degrees.

REQUIREMENTS FOR THE BACCALAUREATE DEGREE GRADUATION

1. Students shall declare a major in one of COTTEY's baccalaureate degree programs by completing the declaration of major form, obtaining the signature of the relevant department coordinator, and submitting the form to COTTEY's Office of Academic Records.
2. Students shall earn 120 semester hours of course credit, with a minimum grade point average of 2.00 in the hours presented for graduation. No more than 8 hours of credit in physical activity/dance activity courses may be counted toward the minimum 120 credit hours required for graduation. Forty-five hours earned toward graduation must be taken at COTTEY.
3. Students shall complete an approved academic major as certified by the department and receive a passing grade on the senior project in the major.
5. Students shall complete the COTTEY general education requirements. All baccalaureate graduates must complete a common core curriculum. The core addresses many of the COTTEY learning outcomes.

THE ARTICULATION AGREEMENT

1. This Agreement will commence with the start of the spring 2012 semester and shall stand indefinitely unless revoked by either Party.
2. Either Party may terminate this Agreement by giving the other Party written notice one year in advance of the anticipated termination. Any termination under this provision shall be without penalty and neither Party shall be liable to the other for any monetary or other losses that may result. In the event the Agreement is terminated, the Parties will make every effort to not disadvantage individual students who are already participating in the benefits accruing to them as a result of this Agreement.

This Agreement is entered into as of the last date of the signatures contained below.

For Cottey College:

Cathryn Pridal, VPAA

Date

For North Central Missouri College:

Dr. Jamie Hooyman
Dean of Instruction

Date

Dr. Neil Nuttall
President
