\* One mathematics or statistics course beyond intermediate level. May select from College Algebra, Calculus, Finite Mathematics, Statistics or Business Calculus. If statistics is used for the mathematics requirement, an additional general education elective will be required.

#### INFORMATION TECHNOLOGY TECHNICAL AREA

- Database Fundamentals Course
- Programming Fundamentals Course
- Network Fundamentals Course
- 14 Semester/21 Quarter credit hours in one of the approved Information Technology disciplines such as Computer Graphics, Operating Systems, Networks, Web Design & Implementation, Computer Programming, Multimedia Technologies, or other IT related area with approval from the Information Technology Program Chair.

#### ELECTIVE BRIDGE COURSES

Non-Developmental level courses taken at your community college and not applied directly toward another Bridge requirement will be applied to this area. **An official evaluation of transfer credit will determine the need for electives.** If you need additional courses to meet the hours required for your bachelor's degree, please select business or computer related courses from those offered at your community college. Other courses may be acceptable in this area. **Please see your Franklin University SSA for approval prior to taking the course.**
