

## Viewing My Grades

The **My Grades** page shows the status of gradable items, such as tests, assignments, journal and blog entries, and discussion posts.

The **My Grades** page may include item names, details, due dates, student and instructor dates of activity, posted grades, points possible, and your instructor's comments about the items.

## How to Access My Grades

### Within a Course

1. On the Course Menu, click **Tools**.
2. On the **Tools** page, click **My Grades**.

3. On the **My Grades** page, click the grade link to see the **Review Submission History** page. This page includes:
  - **Instructor Feedback:** This section lists your grade and any feedback provided by your instructor.
  - **Attached Files:** These sections provide links to open or download any files attached by you or your instructor. For example, your instructor might provide comments in a file that you submitted with your assignment. In the following image, notice that the student included his last name in the file name before uploading it.

**Instructor Feedback**

Grade Center Item : 9 out of 10

Comments :

It is obvious you understand the concepts for Chapter 1. The only thing you need to work on is the section on the seafloor. Keep up the good work. I've attached your graded doc with comments and answered your question. I am available in Chat on Tuesdays and Thursdays from 4-6 PM if you need more help.
