PROGRAMS OF STUDY

Whether your goal is to complete a bachelor's degree, enter a professional program or prepare for employment with occupational training, North Central Missouri College offers a program designed to meet your individual needs. NCMC awards four types of degrees:

- Associate in Arts degree (A.A.)
- Associate in Arts in Teaching degree (A.A.T.)
- Associate in General Studies degree (A.G.S.)
- Associate in Applied Science degree (A.A.S.)

The College also awards one-year career and technical Certificates of Completion. Specific information about NCMC's degree and certificate programs is detailed in this section of the catalog. For a personal consultation with an academic counselor or admissions advisor, contact the Student Services Department, (660) 359-3948, ext. 1418.
