Director's or Principal's Signature

**Criteria for Articulation**

To receive college credit at North Central Missouri College you must:

1. Enroll at NCMC within 15 months of graduation from high school or completion of the technical school/career center program.
2. Present this certificate along with your high school and/or vo-tech transcript to NCMC at the time of application for admission.
3. Complete 12 hours of credit at NCMC with a 2.0 grade point average or complete required 31 credit hours through NCMC with a 2.0 GPA for the 1+1 program.
4. The required fees must be paid to the Registrar in order to transcript the credit.
5. It is mandatory for a school official to send a copy of the official certificate to the articulation coordinator.
