In recognition of these goals, there is hereby established a procedure for disclosure by certain officials and employees of private financial or other interest in matters affecting the College.

3.1.2. Conflicts of Interest (see also Amorous Romantic/Sexual Relationships)

3.1.2.1. Introduction: All elected and appointed officials as well as candidates for election as an official and specific employees of a political subdivision must comply with RSMo. 105.485.4 on conflicts of interest as well as any other state law governing official conduct. A conflict of interest is a personal interest of a trustee or employee that might impair or reasonably appear to impair the trustee's/employee's independent and unbiased judgment in discharge of his or her institutional responsibility. A personal interest includes but is not limited to the trustee/employee, trustee's/employee's family member, or trustee's/employee's close associate. If a personal interest exists or appears to exist, the trustee or employee will disclose such interest and not participate in any decision in which he or she has conflict. The remaining governing board, in the case of trustees, will objectively make the decision in the best interest of the College. The Board Secretary/Clerk will document through Minutes that a conflict was disclosed and that the trustee did not participate in the vote. *updated 7/28/15*

Such a conflict would arise when the employee, officer, or agent, or any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. 3.2. Permitted Activities

3.2.1. Consulting: Employees are permitted to engage in consulting duties acting as private businesspersons if employment is in compliance with existing Board policy. Employees performing consulting duties and using college facilities shall reimburse the College for the use of the facilities. Use of the facilities will not be permitted if it is in violation of College insurance contract stipulations. Also see section *Policies Specific to Faculty*.

3.2.2. Non-College Employment of Professional Personnel: Employees are allowed to engage in employment if that employment would not negatively affect their usefulness as employees to the College. Employment cannot make time and/or energy demands that would interfere with their effectiveness in performing their regular assigned duties. Employment

cannot compromise the College, adversely affect the employee's employment status or professional standing or in any way conflict with assigned duties. Employees shall limit any other employment or any private business to hours not necessary to the fulfillment of their appropriate assigned duties.

- 3.2.3. Personal Life: The personal life of an employee will be the concern of the Board only as it may directly prevent the employee from properly performing his/her assigned functions during duty hours or violate local, state, national, or common law, or be prejudicial to his/her effectiveness in their teaching or administrative position.

3.3. Prohibited Activities

- 3.3.1. Conflict of Interest (RSMo 105.450 – 105.482) No employee will undertake consulting or professional practice assignments that would result in a conflict of interest with his/her assigned college duties. An employee cannot assist any person or company for a fee or other compensation in obtaining a contract, claim, license, or other economic benefit from North Central Missouri College. An employee cannot perform an official act for the College which directly benefits a business or other undertaking in which she/he has a financial interest or is engaged as a counsel, consultant, representative, agent, director or officer.
- 3.3.2. Gratuities: An employee of the College will not accept any favor, gratuity, or promotional item of significant value from any person, firm, or corporation that is engaged in or attempting to do business transactions with the College.
- 3.3.3. Activities Requiring Disclosure: Any employee who recommends or approves a purchase or service and who has any financial interest in the firm involved in the purchase or service will make this fact known at the time. Any employee who recommends or approves a personnel action and who has a financial interest or business association with the person will make this fact known at the time. This requirement does not include textbook adoption where the employee is clearly identified as the author or editor of the book in question.
- 3.3.4. Solicitation, Electioneering, and Promotion: Employees may not conduct non-college business or engage in electioneering while they are at work. The President or designate may approve specific exceptions and establish limitations/standards for posted advertisements or promotional activities by individuals or groups on college property.
- 3.3.5. Non-College Sponsored Professional Services: In all private consulting engagements, it is understood that the employee is acting as a private consultant; that the College is in no way a party to the contract or liable or responsible for the performance thereof; and that the College is not liable in any way for property of the client utilized for tests, observations or otherwise in connection with the consulting engagement, nor for consequent damages. The name of the College will not be used in advertising or in any other way without the written approval of the President. No employee may use College supplies, facilities, personnel or services to earn extra compensation from non-college sources without prior

determination of appropriate reimbursement and written approval of the President. No employee of the College may offer or provide services in competition with the College.

- 3.4. **Political Activity:** College employees, unless authorized by the President or Board of Trustees, may not speak or act politically in the name of the college, promote political positions or candidates while performing their job responsibilities, or hold elective offices that interfere with full performance of their job responsibilities.

3.5. Copyrights

- 3.5.1. Respect for intellectual labor and creativity is vital to academic discourse and enterprise. This principle applies to works of all authors and publishers in all media. It encompasses respect for the right to acknowledgement, right to privacy, and right to determine the form, manner and terms of publication and distribution. Because electronic information is volatile and easily reproduced, respect for the work and personal expression of others is especially critical in computer environments. Violations of authorized integrity, including plagiarism, invasion of privacy, unauthorized access, and trade secrets and copyright violations, may be grounds for sanctions against members of the academic community.
- 3.5.2. Works which are produced by an employee in connection with an approved and sponsored research project are treated in accordance with the agreement negotiated with the sponsor. In the absence of such agreement or to the extent such agreement does not fully address the ownership or works produced, such works shall be treated in accordance with stated guidelines.
- 3.5.3. When an employee is assigned work or responsibilities for the specific purpose of developing computer programs, visual aids, videotapes, manuals, public relations material, or other copyrightable works, the works produced pursuant thereto and all royalties therefrom shall be the property of North Central Missouri College. Such assignment shall be indicated either on the individual employment contract or in a separate document countersigned by the employee. Should the College and the employee agree to a division of royalties, such division must be included in the contract or in a separate document countersigned by the employee. If the College does not wish to copyright the work, the employee may obtain a written release from the President and may then copyright the work in his/her name. Upon written request for release by the author, the College will respond within thirty days.
- 3.5.4. When an employee develops copyrightable works other than those defined in previous sections, he/she shall have sole right of ownership and disposition of such works. When such works are produced, developed, or authored through the use or with the aid of College facilities, personnel, or other resources, the College must be reimbursed for the fair market value of the use of any such facilities, personnel, or resources, except those considered part of the normal academic environment including library facilities.

Manuscripts or works of art designed for publication in media where no remuneration is given the author(s) are exempt from this reimbursement.

3.5.5. **Research conclusions:** Research, if sponsored by agencies of federal, state, or local government, or if not sponsored but supported by College funds for released time, supplies, or service, is in fact supported by taxpayers. The researcher must ensure that the findings from the College or government sponsored research are made public before utilizing such findings for personal gain on behalf of a private client as part of a consulting engagement or otherwise giving advantage to a particular party or firm. However, the above statement is not to be interpreted to mean that the public has a right to the field notes, raw data, research notebooks, or working papers of a researcher. However, the above statement is not to be interpreted as a waiver or denial of existing regulations on the use and distribution of such data, the premature release of which would jeopardize the public interest.

3.6. **Personal Use of District Resources and Personnel:** No employee of North Central Missouri College will, under any circumstances, use any equipment belonging to said District or consume any supplies, or utilize any College personnel for any purpose other than the business of the District, nor will they permit the unauthorized use of such equipment, supplies, or personnel by others. Abuse of this policy will be subject to appropriate disciplinary action including the possibility of dismissal.

3.7. **Student or Employee Lists:** Lists of names and addresses of employees or students will not be provided to persons or organizations for non-college related commercial or solicitation purposes (see also *Personnel Information Disclosure* in Section 5). Members of the College community are allowed to publicize their events in designated areas, with prior permission from the President's Office or Dean of Student Affairs Office. The form and content of the publicity will be restricted if it is libelous, obscene, incites riot or other unlawful action. Postings should follow relevant procedures and contain the name of the organization or department, and if applicable event date, time, and location. Postings should also conform to local, state, and federal laws.

3.8.1. **Procedures:** All postings must follow the established guidelines. The posting and/or distribution of signs, handbills and flyers in buildings at North Central Missouri College will be limited to students, registered student groups and official units of the College. Business and profit organizations will be allowed to post information on public bulletin boards in academic buildings and in the Ketcham Community Center only, with prior approval.

- 3.8.2.6. A limit of ten posters may be posted throughout campus and posting over or removing existing material is prohibited, unless it is past the advertised date.
- 3.8.2.7. Banners and lawn signs may be used for some special occasions, but must be approved by the President's Office or Dean of Student Affairs Office in advance.
- 3.8.2.8. Advertisements for persons running for state or local elected positions may be placed on the public bulletin boards only.
- 3.8.2.9. Writing with water-based chalk on the sidewalks and/or stairs should receive prior permission from the President's Office or Dean of Student Affairs Office.

- 3.11.8. User Responsibility and Account Ownership: Users may not allow other individuals to use their College-assigned network, email, or other College-based account. Employees and students are individually responsible and accountable for the proper use of their assigned accounts. Users should take proper security measures to ensure the integrity of their accounts and should also report any notice of unauthorized access. All College-managed network and cloud storage locations must be properly password protected. The College uses email to communicate important information; therefore all users are encouraged to check their email on a regular basis. However, the college will not request end users to send password or sensitive information via email.
- 3.11.9. Additional Policies: North Central Missouri College is required by contract with MOREnet to abide by (and therefore enforce) their policies and procedures. For more information about MOREnet's policies, procedures, and security measures, visit them online at <https://more.net>.
- 3.11.10. User Conduct and Sanctions: Abuse of the College's electronic information system or violation of any local, state, or federal telecommunication law or regulation, or College policy, is not allowed and may subject the individual to criminal, civil, and institutional penalties and liabilities.
 - 3.11.10.1. Penalties for violation of college policies including unauthorized peer-to-peer file sharing, illegal downloading or unauthorized distribution of copyrighted material using the College's information technology system can include, but not be limited to, loss of all College computer network privileges, probation, suspension from the College, and/or referral to law enforcement for prosecution, including criminal or civil action. Employees can also be subject to termination.
 - 3.11.10.2. Penalties for violation of federal copyright laws and copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or "statutory" damages

affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense.

3.11.10.3. FERPA is enforced by the Family Compliance Office, which is part of the U.S. Department of Education. Violations may result in NCMC’s loss of ability to offer federal financial aid programs, institutional fines, personal law suits, termination of employment, and other sanctions. All employees shall read and become familiar with the “Guidelines for Release of Education Records” as posted on the NCMC website. More information is available at <https://www.ncmissouri.edu/registrar>.

3.11.11. Policy Posting and Updates: This Electronic Information Systems Use Policy is available on NCMC’s internet at <https://www.ncmissouri.edu/consumerinfo/acceptable-use-policy>. Email notifications will be made available as changes affect this policy.

3.12. Records Retention: North Central Missouri College adheres to the University General Retention Schedule (UGRS) regarding the retention and disposal of college records as instructed by the Missouri Office of the Secretary of State, Division of Records Management. *updated 9/26/17*

3.13. Tuition Waivers for Non-College Employees *revised 7/31/17*

3.13.1. Trenton IX Employees

3.13.1.1. Employees considered to be full-time by the R-IX District may enroll in college credit courses at NCMC with tuition waived, excluding tuition for noncredit courses (e.g., seminars, community service courses, and continuing education courses), audited courses, and repeated courses. Employees who take courses with tuition rates which exceed the in-district rate must pay the difference between the in-state rate and the charged tuition rate. In order to be eligible for a tuition waiver, employees must complete the Free Application for Federal Student Aid (FAFSA) for the corresponding academic year and meet the definitions of Title IV financial aid eligibility, with the exception of a high school diploma or equivalent and degree-seeking status. The FAFSA and verification of FAFSA, if selected for verification, must be submitted to NCMC and finalized prior to the end of the term in which the waiver is to be applied. Waivers may not be applied to prior terms retroactively. Federal and state grants, including the A+ scholarship, and all other tuition specific financial aid will be applied toward costs prior to the award of any tuition waivers. Employees are responsible for any fees assessed for No Shows.

3.13.1.2. Other charges such as fees (e.g., application, activity, facility, health, course, and lab), books, supplies, housing, fines, etc., will not be waived.

3.13.1.3. The policy is limited to Trenton R-IX full-time employees and their dependents. For the purpose of tuition waivers only, dependents are those

individuals defined as unmarried child under the age of 24, and/or disabled child over the age of 24. Employees seeking a waiver for a dependent must submit a Dependent Eligibility Verification (DEV) form along with the waiver. Trenton R-IX employees' dependents qualify for tuition waivers equal to 50% of the tuition. Dependents who will be enrolled in high school while taking college courses are exempt from completing the FAFSA, but must meet the same guidelines and are subject to the same restrictions listed above. Individuals must be eligible to receive a waiver in the semester in which they use the waiver.

3.13.1.4. For individuals who have retired with at least five years of service from the Trenton R-IX District but are not yet 60 years of age, tuition will be waived for the retired employee but not for their dependents.

3.13.1.5. Tuition waiver forms and DEV forms are available from the NCMC Financial Aid Office. Waiver forms must be signed by the Superintendent and the NCMC President. Waiver forms must be submitted to NCMC's Financial Aid Office by the final payment deadline of the term for which the waiver is requested.

3.13.2. Head Start and WIOA Employees

3.13.2.1. Employees considered to be full-time by Head Start/WIOA may enroll in college credit courses at NCMC with tuition waived, excluding tuition for noncredit courses (e.g., seminars, community service courses, and continuing education courses), audited courses, and repeated courses. Employees who take courses with tuition rates which exceed the in-state rate must pay the difference between the in-state rate and the charged tuition rate. In order to be eligible for a tuition waiver, employees must complete the Free Application for Federal Student Aid (FAFSA) for the corresponding academic year and meet the definitions of Title IV financial aid eligibility, with the exception of a high school diploma or equivalent and degree-seeking status. The FAFSA and verification of FAFSA, if selected for verification, must be submitted to NCMC and finalized prior to the end of the term in which the waiver is to be applied. Waivers may not be applied to prior terms retroactively. Federal and state grants, including the A+ scholarship, and all other tuition specific financial aid will be applied toward costs prior to the award of any tuition waivers. Employees are responsible for any fees assessed for No Shows.

3.13.2.2. Other charges such as fees (e.g., facility, activity, facility, course, and lab), books, supplies, housing, fines, etc., will not be waived, with the exception of the health fee.

3.13.2.3. The policy is limited to Head Start and WIOA employees, spouses/domestic partners, and their dependents. For the purpose of tuition waivers only, dependents are those individuals defined as unmarried child under the age of 24, and/or disabled child over the age of 24. Employees seeking a waiver for a spouse/domestic partner and/or dependent must submit a Dependent Eligibility Verification (DEV) form along with the waiver. Spouses/domestic partners and/or dependents must meet the same guidelines and are subject to the same restrictions listed above. Dependents who will be enrolled in high school while taking college courses are exempt from

completing the FAFSA. Individuals must be eligible to receive a waiver in the semester in which they use the waiver.

3.13.2.4. If a Head Start/WIOA employee works more than 675 hours per year but less than 1,400 hours per year, tuition will be reduced by fifty percent (50%). If a Head Start/WIOA employee works 1,400 hours or more per year, the tuition will be fully waived. Waivers for dependents of employees will be applied at the same rate as the employee. The restrictions listed above will apply.

3.13.2.5. For individuals who have retired with at least five years of service from Head Start or WIOA but are not yet 60 years of age, tuition will be waived for the retired employee but not for their dependents.

3.13.2.6. Tuition waiver forms and DEV forms are available from the NCMC Financial Aid Office. Waiver forms must be signed by the Head Start/WIOA program administrator and the NCMC President. Waiver forms must be submitted to NCMC's Financial Aid Office by the final payment deadline of the term for which the waiver is requested.

3.13.3. Waivers for Senior Citizens

3.13.3.1. North Central Missouri College encourages lifelong learning and awards full tuition waivers to Missouri senior citizens on a space available basis (RSMo 173.241). Any Missouri resident who is at least 65 years of age on or before August first of a school year may enroll in an available credit-bearing course on a not-for-credit (audit) basis. Persons may begin enrolling in a course for which a waiver is requested no earlier than one business day prior to the first day of the scheduled term. Audit declarations must be made with the Registrar. Persons seeking a waiver pursuant to this section shall provide documentation of age and shall satisfy all other necessary entrance requirements in order to be eligible to receive a waiver.

3.13.3.2. Other charges such as fees (e.g., application, activity, facility, course, and lab), books, supplies, housing, fines, etc., will not be waived, with the exception of the health fee.

3.13.3.3. The number of available senior citizen waivers is limited to no more than ten students per semester.

3.13.3.4. Tuition waiver forms are available from the NCMC Financial Aid Office. Audit declarations must be made and waiver forms submitted to NCMC at the time of registration.

3.14. Sexual Misconduct Policy

3.14.1. General Statement of Policy: North Central Missouri College is committed to fostering a learning environment that is safe, inclusive, and fosters academic success. NCMC considers Sexual Harassment in all its forms to be a serious offense and a violation of this policy. Consistent with NCMC's Non-Discrimination Notice and the U.S. Department of Education's implementing regulations for Title IX of the Education Amendments of 1972 ("Title IX") (see 34 C.F.R. § 106 *et seq.*), NCMC prohibits Sexual Harassment that occurs within its education programs or activities.

For purposes of this policy, Sexual Harassment includes Quid Pro Quo Sexual Harassment, Hostile Environment Sexual Harassment, Sexual Assault, Domestic Violence, Dating Violence, and Stalking.

Administrators, faculty member, staff, students, contractors, guests, and other members of the NCMC community who commit Sexual Harassment are subject to the full range of NCMC discipline including verbal reprimand; written reprimand; mandatory training, coaching, or counseling; mandatory monitoring; partial or full probation; partial or full suspension; fines; permanent separation from the institution (that is, termination or dismissal); physical restriction from NCMC property; cancellation of contracts; and any combination of the same.

- 3.14.2. Scope of the Policy: This policy applies to Sexual Harassment that occurs within NCMC's Education Programs or Activities and that is committed by an administrator, faculty member, staff, student, contractor, guest, or other member of the NCMC community. This policy does not apply to Sexual Harassment that occurs off-campus, in a private setting, and outside the scope of NCMC's Education Programs or Activities; such sexual misconduct may be prohibited by the Student Code of Conduct if committed by a student, the Faculty Handbook if committed by a faculty member, or other NCMC policies and standards if committed by an employee.

Consistent with the U.S. Department of Education's implementing regulations for Title IX, this policy does not apply to Sexual Harassment that occurs outside the geographic boundaries of the United States, even if the Sexual Harassment occurs in NCMC's Education Programs or Activities, such as a study abroad program. Sexual Harassment that occurs outside the geographic boundaries of the United States is governed by the Student Code of Conduct if committed by a student, the Faculty Handbook if committed by a faculty member, or other NCMC policies and standards if committed by an employee, including but not limited to the Employee-Student Relationships policy.

3.14.3. Definitions

- 3.14.3.1. Complainant: "Sexual Harassment" is conduct on the basis of sex that constitutes Quid Pro Quo Sexual Harassment, Hostile Environment Sexual Harassment, Sexual Assault, Domestic Violence, Dating Violence, or Stalking.
- 3.14.3.2. "Quid Pro Quo Sexual Harassment" is an employee of NCMC conditioning the provision of an aid, benefit, or service of NCMC on an individual's participation in unwelcome sexual conduct.
- 3.14.3.3. "Hostile Environment Sexual Harassment" is unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person access to NCMC's Education Programs or Activities.
- 3.14.3.4. "Sexual Assault" includes the sex offenses of Rape, Sodomy, Sexual Assault with an Object, Fondling, Incest, and Statutory Rape.¹

- 3.14.3.4.1. “Rape” is the carnal knowledge of a person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity. There is “carnal knowledge” if there is the slightest penetration of the vagina or penis by the sexual organ of the other person. Attempted Rape is included.
- 3.14.3.4.2. “Sodomy” is oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
- 3.14.3.4.3. “Sexual Assault with an Object” is using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity. An “object” or “instrument” is anything used by the offender other than the offender’s genitalia.
- 3.14.3.4.4. “Fondling” is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental or physical incapacity.
- 3.14.3.4.5. “Incest” is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by Missouri law.
- 3.14.3.4.6. “Statutory Rape” is sexual intercourse with a person who is under the statutory age of consent as defined by Missouri law.
- 3.14.3.5. “Domestic Violence” is felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of Missouri, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of Missouri.
- 3.14.3.6. “Dating Violence” is violence committed by a person –
- Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - Where the existence of such a relationship will be determined based on a consideration of the following factors:
 - The Length of the relationship
 - The type of the relationship; and
 - The frequency of interaction between the personas involved in the relationship.

- 3.14.3.7. Stalking: Engaging in a course of conduct directed at a specific person that would cause a reasonable person to— (A) fear for his or her safety or the safety of others; or (B) suffer substantial emotional distress.
- 3.14.3.8. Consent: refers to words or actions that a reasonable person in the perspective of the Respondent would understand as agreement to engage in the sexual conduct at issue. A person who is Incapacitated is not capable of giving Consent.
- 3.14.3.9. “Coercion” is direct or implied threat of force, violence, danger, hardship, or retribution sufficient to persuade a reasonable person of ordinary susceptibility to perform an act which otherwise would not have been performed or acquiesce in an act to which one would otherwise not have submitted. Coercion can include unreasonable and sustained pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. A person’s words or conduct cannot amount to Coercion for purposes of this policy unless they wrongfully impair the other’s freedom of will and ability to choose whether or not to engage in sexual activity.
- 3.14.3.10. “Incapacitated” refers to the state where a person does not appreciate the nature or fact of sexual activity due to the effect of drugs or alcohol consumption, medical condition or disability, or due to a state of unconsciousness or sleep.
- 3.14.3.11. “Retaliation” is intimidation, threats, coercion, or discrimination against any individual for the purpose of interfering with any right or privilege secured by Title IX and its implementing regulations or because an individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy.
- 3.14.3.12. “Complainant” means an individual who is alleged to be the victim of conduct that could constitute Sexual Harassment.
- 3.14.3.13. “Respondent” means an individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.
- 3.14.3.14. “Formal Complaint” means a document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that NCMC investigate the allegation of Sexual Harassment in accordance with this policy. At the time of filing a Formal Complaint, a Complainant must be participating in or attempting to participate in NCMC’s Education Programs or Activities. A “document filed by a Complainant” means a document or electronic submission (such as an email) that contains the Complainant’s physical or electronic signature or otherwise indicates that the Complainant is the person filing the Complaint.
- 3.14.3.15. “Supportive Measures” are non-disciplinary, non-punitive individualized services offered, as appropriate, and reasonably available, and without fee or charge, that are designed to restore or preserve equal access to NCMC’s Education Programs or Activities without unreasonably burdening another party, including measures designed to protect the safety of all parties implicated by a report or NCMC’s education environment, or to deter Sexual Harassment. Supportive measures may

include: counseling, extensions of academic or other deadlines, course-related adjustments, modifications to work or class schedules, campus escort services, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of campus, and other similar measures. Supportive Measures may also include mutual restrictions on contact between the parties implicated by a report.

3.14.3.16. “Education Programs and Activities” refers to all the operations of NCMC, including, but not limited to, in-person and online educational instruction, employment, research activities, extracurricular activities, athletics, residence life, dining services, performances, and community engagement and outreach programs. The term applies to all activity that occurs on campus or on other property owned or occupied by NCMC. It also includes off-campus locations, events, or circumstances over which NCMC exercises substantial control over the Respondent and the context in which the Sexual Harassment occurs, including Sexual Harassment occurring in any building owned or controlled by a student organization that is officially recognized by NCMC.

3.14.3.17. UNDERSTANDING HOSTILE ENVIRONMENT SEXUAL HARASSMENT In determining whether a hostile environment exists, NCMC will consider the totality of circumstances, including factors such as the actual impact the conduct has had on the Complainant; the nature and severity of the conduct at issue; the frequency and duration of the conduct; the relationship between the parties (including accounting for whether one individual has power or authority over the other); the respective ages of the parties; the context in which the conduct occurred; and the number of persons affected. NCMC will evaluate the totality of circumstances from the perspective of a reasonable person in the Complainant’s position. A person’s adverse subjective reaction to conduct is not sufficient, in and of itself, to establish the existence of a hostile environment.

NCMC encourages members of the NCMC Community to report any and all instances of Sexual Harassment, even if they are unsure whether the conduct rises to the level of a policy violation.

Some specific examples of conduct that may constitute Sexual Harassment if unwelcome include, but are not limited to:

Unreasonable pressure for a dating, romantic, or intimate relationship or sexual contact

Unwelcome kissing, hugging, or massaging

Comments of sexual nature

Sexual innuendos, jokes, or humor

Displaying sexual graffiti, pictures, videos, or posters

Using sexually explicit profanity

Asking about, or telling about, sexual fantasies, sexual preferences, or sexual activities

Email, internet, or other electronic use that violates this policy
Leering or staring at someone in a sexual way, such as staring at a person's breasts or groin
Whistling or other sexually explicit sounds or gestures
Sending sexually explicit emails, text messages, or social media posts
Commenting on a person's dress in a sexual manner
Giving unwelcome personal gifts such as lingerie that suggest the desire for a romantic relationship
Insulting, demeaning, or degrading another person based on gender or gender stereotypes

3.14.4. UNDERSTANDING CONSENT AND INCAPACITATION

3.14.4.1. Consent: Lack of consent is a critical factor in determining whether Sexual Harassment has occurred. As defined above, consent is a mutual, voluntary, and informed agreement to participate in specific sexual acts with another person that is not achieved through unreasonable manipulation or coercion—or any kind of physical force or weapon—and requires having cognitive ability to agree to participate. Consent requires a clear and unmistakable voluntary agreement, expressed in mutually understandable words or actions, to engage in sexual activity. A verbal “no” constitutes lack of consent, even if it sounds insincere or indecisive. Silence or absence of resistance does not imply consent.

Informed consent cannot be gained by force, coercion, threat, by ignoring or acting in spite of the objections of another, or by taking advantage of the incapacitation of another, where the Respondent knows or reasonably should have known of such incapacitation. Informed consent is also absent when the activity in question exceeds the scope of informed consent previously given, i.e. past consent does not imply future consent. Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another. Consent can be withdrawn at any time. When consent is withdrawn, sexual activity must immediately stop. In the state of Missouri, consent cannot be provided if the person lacks the mental capacity to authorize the conduct charged to constitute the offense and such mental incapacity is manifest or known to the actor; or it is given by a person who by reason of youth, mental disease or defect, intoxication, a drug-induced state, or any other reason anyone under the age of seventeen cannot give informed consent.

In evaluating whether consent was given, consideration will be given to the totality of the facts and circumstances, including but not limited to the extent to which a complainant affirmatively uses words or actions indicating a willingness to engage in sexual contact, free from manipulation, intimidation, fear, or coercion; whether a reasonable person in the Respondent's position would have understood such person's words and acts as an expression of consent; and whether there are any circumstances, known or reasonably apparent to the Respondent, demonstrating incapacitation or fear.

3.14.4.2. Incapacitation. Incapacitation is a state where an individual cannot make an informed and rational decision to consent to engage in sexual contact because the individual lacks conscious knowledge of the nature of the act (e.g., to understand the “who, what, where, when, why or how” of the sexual interaction) and/or is physically or mentally helpless. An individual is also considered incapacitated, and therefore unable to give consent, when asleep, unconscious, or otherwise unaware that sexual contact is occurring.

Incapacitation can only be found when the Respondent knew or should have known that the Complainant was incapacitated when viewed from the position of a sober, reasonable person. One’s own intoxication is not an excuse for failure to recognize another person’s incapacitation. Because incapacitation may be difficult to discern, students and employees are strongly encouraged to err on the side of caution; i.e., when in doubt, assume that another person is incapacitated and therefore unable to give consent.

Incapacitation may result from the use of alcohol and/or other drugs; however, consumption of alcohol or other drugs, inebriation, or intoxication alone are insufficient to establish incapacitation. Incapacitation is beyond mere drunkenness or intoxication. The impact of alcohol or drugs varies from person to person, and evaluating incapacitation requires an assessment of how consumption of alcohol and/or drugs impacts an individual’s:

Decision-making ability

Awareness of consequences

Ability to make informed judgments

Capacity to appreciate the nature of circumstances of the act.

No single factor is determinative of incapacitation. Some common signs that someone may be incapacitated include slurred speech, confusion, shaky balance, stumbling or falling down, vomiting, and unconsciousness

3.14.5. REPORTING SEXUAL HARASSMENT Any person may report Sexual Harassment to the Title IX Coordinator. Reports may be made in person, by regular mail, telephone, electronic mail, or by any other means that results in the Title IX Coordinator receiving the person’s verbal or written report. In-person reports must be made during normal business hours, but reports can be made by regular mail, telephone, or electronic mail at any time, including outside normal business hours.

The name and contact information for the Title IX Coordinator is:

Dr. Kristen Alley

Vice President of Student Affairs

In addition to reporting to the Title IX Coordinator, any person may report Sexual Harassment to the Deputy Title IX Investigators or any NCMC employee with managerial authority over other employees, including cabinet members, deans, department heads, unit supervisors, and other managers (collectively “Reporting Officials”) who must promptly forward such report of Sexual Harassment to the Title IX Coordinator.

The Deputy Title IX Coordinators are:

Kristi Harris

Chief of Staff

NCMC employees who are not Reporting Officials are encouraged, but are not required to, forward reports of Sexual Harassment to the Title IX Coordinator.

- 3.14.6. SPECIAL ADVICE FOR INDIVIDUALS REPORTING SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, OR STALKING If you believe you are the victim of Sexual Assault, Domestic Violence, or Dating Violence, get to safety and do everything possible to preserve evidence by making certain that the crime scene is not disturbed. Preservation of evidence may be necessary for proof of the crime or in obtaining a protection order. For those who believe that they are victims of Sexual Assault, Domestic Violence, or Dating Violence, NCMC recommends the following:

Get to a safe place as soon as possible.

Try to preserve All physical evidence of the crime—avoid bathing, using the toilet, rinsing one’s mouth or changing clothes. If it is necessary, put all clothing that was worn at the time of the incident in a paper bag, not a plastic one.

Do not launder or discard bedding or otherwise clean the area where the assault occurred- preserve for law enforcement

Preserve all forms of electronic communication that occurred before, during, or after the assault

Contact law enforcement by calling 911.

Get Medical attention - all medical injuries are not immediately apparent. This will also help collect evidence that may be needed in case the individual decides to press charges. Local hospitals have evidence collection kits necessary for criminal

prosecution should the victim wish to pursue charges. Take a full change of clothing, including shoes, for use after a medical examination.

Contact a trusted person, such as a friend or family member for support.

Talk with a professional licensed counselor, NCMC chaplain, or health care provider who can help explain options, give information, and provide emotional support.

Make a report to the Title IX Coordinator.

Explore this policy and avenues for resolution under the Title IX Grievance Process.

It is also important to take steps to preserve evidence in cases of Stalking, to the extent such evidence exists. Such evidence is more likely to be in the form of letters, emails, text messages, electronic images, etc. rather than evidence of physical contact and violence. This type of non-physical evidence will also be useful in all types of Sexual Harassment investigations.

Once a report of Sexual Assault, Domestic Violence, Dating Violence, or Stalking is made, the victim has several options such as, but not limited to:

obtaining Supportive Measures

contacting parents or a relative

seeking legal advice

seeking personal counseling (always recommended)

pursuing legal action against the perpetrator

filing a Formal Complaint

requesting that no further action be taken

The Title IX Coordinator can assist individuals in obtaining a personal protection order ("PPO").

3.14.7. AMNESTY To encourage reporting, NCMC provides amnesty to victims who may be hesitant to report to College officials because they fear that they themselves may be accused of minor policy violations, such as underage drinking or visitation, related to the sexual misconduct incident. Amnesty means that the individual's conduct will not be subject to punitive conduct action, but may be addressed through education, assessment and/or treatment. No conduct proceedings or conduct record will result from conduct that falls under amnesty. The Title IX Coordinator will make decisions regarding amnesty. The College's commitment to amnesty in these situations does not prevent action by police or other legal authorities against an individual who has illegally consumed alcohol or drugs or has otherwise violated the law.

3.14.8. PRELIMINARY ASSESSMENT After receiving a report under "Reporting Sexual Harassment," the Title IX Coordinator will conduct a preliminary assessment to determine:

Whether the conduct as reported, falls or could fall within the scope of this policy (see "Scope"); and

Whether the conduct, as reported, constitutes or could constitute Sexual Harassment.

If the Title IX Coordinator determines that the conduct reported could not fall within the scope of the policy, and/or could not constitute Sexual Harassment, even if

investigated, the Title Coordinator will close the matter and may notify the reporting party if doing so is consistent with the Family Educational Rights and Privacy Act ("FERPA"). The Title IX Coordinator may refer the report to other NCMC offices, as appropriate.

If the Title IX Coordinator determines that the conduct reported could fall within the scope of the policy, and/or could constitute Sexual Harassment, if investigated, the Title IX Coordinator will proceed to contact the Complainant (see "Contacting the Complainant")

As part of the preliminary assessment, the Title IX Coordinator may take investigative steps to determine the identity of the Complainant, if it is not apparent from the report.

3.14.9. CONTACTING THE COMPLAINANT If a report is not closed as a result of the preliminary assessment (see "Preliminary Assessment"), NCMC will offer and make available Supportive Measures to the Complainant regardless of whether the Complainant elects to file a Formal Complaint.

3.14.10. Supportive Measures If Contemporaneously with the Respondent being notified of a Formal Complaint, the Title IX Coordinator will notify the Respondent of the availability of Supportive Measures for the Respondent, and NCMC will offer and make available Supportive Measures to the Respondent in the same manner in which it offers and makes them available to the Complainant. NCMC will also offer and make available Supportive Measures to the Respondent prior to the Respondent being notified of a Formal Complaint, if the Respondent requests such measures.

NCMC will maintain the confidentiality of Supportive Measures provided to either a Complainant or Respondent, to the extent that maintaining such confidentiality does not impair NCMC's ability to provide the Supportive Measures in question.

3.14.11. INTERIM REMOVAL At any time after receiving a report of Sexual Harassment, the Title IX Coordinator may remove a student Respondent from one or more of NCMC's Education Programs or Activities on an temporary basis if an individualized safety and risk analysis determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment justifies removal. In the event the Title IX Coordinator imposes an interim removal, the Title IX Coordinator must offer to meet with the Respondent within twenty-four hours and provide the Respondent an opportunity to challenge the interim removal.

In the case of a Respondent who is a non-student employee (administrator, faculty, or staff), and in its discretion, NCMC may place the Respondent on administrative leave at any time after receiving a report of Sexual Harassment, including during the pendency of the investigation and adjudication process (see "Investigation" and "Adjudication").

For all other Respondents, including independent contractors and guests, NCMC retains broad discretion to prohibit such persons from entering onto its campus and other properties at any time, and for any reason, whether after receiving a report of Sexual Harassment or otherwise.

- 3.15. **FORMAL COMPLAINT** A Complainant may file a Formal Complaint with the Title IX Coordinator in person, by regular mail, or by email using the contact information specified in “Reporting Sexual Harassment.” No person may submit a Formal Complaint on the Complainant’s behalf. In any case, including a case where a Complainant elects not to file a Formal Complaint, the Title IX Coordinator may file a Formal Complaint on behalf of NCMC if doing so is not clearly unreasonable. Such action will normally be taken in limited circumstances involving serious or repeated conduct or where the alleged perpetrator may pose a continuing threat to the NCMC Community. Factors the Title IX Coordinator may consider include (but are not limited to): (a) was a weapon involved in the incident; (b) were multiple assailants involved in the incident; (c) is the accused a repeat offender; and (d) does the incident create a risk of occurring again. If the Complainant or the Title IX Coordinator files a Formal Complaint, then NCMC will commence an investigation as specified in “Reporting Sexual Harassment” and proceed to adjudicate the matter as specified in “Adjudication,” below. In all cases where a Formal Complaint is filed, the Complainant will be treated as a party, irrespective of the party’s level of participation. In a case where the Title IX Coordinator files a Formal Complaint, the Title IX Coordinator will not act as a Complainant or otherwise as a party for purposes of the investigation and adjudication processes. At the time a Formal Complaint is filed, formal communication including but not limited to notices and other information pertaining to the Formal Complaint will occur through the college email system unless otherwise specified.
- 3.16. **CONSOLIDATION OF FORMAL COMPLAINTS** NCMC may consolidate Formal Complaints as to allegations of Sexual Harassment against more than one Respondent, or by more than one Complainant against one or more Respondents, or by one party against the other party, where the allegations of Sexual Harassment arise out of the same facts or circumstances. Where the investigation and adjudication process involve more than one Complainant or more than one Respondent, references in this policy to the singular “party,” “Complainant,” or “Respondent” include the plural, as applicable. A Formal Complaint of Retaliation may be consolidated with a Formal Complaint of Sexual Harassment.
- 3.17. **DISMISSAL PRIOR TO COMMENCEMENT OF INVESTIGATION** In a case where the Complainant files a Formal Complaint, the Title IX Coordinator will evaluate the Formal Complaint and must dismiss it if the Title IX Coordinator determines:
- The conduct alleged in the Formal Complaint would not constitute Sexual Harassment, even if proved; or
 - The conduct alleged in the Formal Complaint falls outside the scope of the policy specified in “Scope” (that is, because the alleged conduct did not occur in NCMC’s Education Programs or Activities and/or the alleged conduct occurred outside the geographic boundaries of the United States).
- In the event the Title IX Coordinator determines the Formal Complaint should be dismissed pursuant to this Section, the Title IX Coordinator will provide written notice of dismissal to the parties and advise them of their right to appeal as specified in “Appeal.” The Title IX Coordinator may refer the subject matter of the Formal Complaint to other NCMC offices, as appropriate. A

dismissal pursuant to this Section is presumptively a final determination for purposes of this policy, unless otherwise specified in writing by the Title IX Coordinator in the written notice of dismissal.

3.18. NOTICE OF FORMAL COMPLAINT Within five (5) days of the Title IX Coordinator receiving a Formal Complaint, the Title IX Coordinator will transmit a written notice to the Complainant and Respondent that includes:

A physical copy of this policy or a hyperlink to this policy;

Sufficient details known at the time so that the parties may prepare for an initial interview with the investigator, to include the identities of the parties involved in the incident (if known), the conduct allegedly constituting Sexual Harassment, and the date and location of the alleged incident (if known);

A statement that the Respondent is presumed not responsible for the alleged Sexual Harassment and that a determination of responsibility will not be made until the conclusion of the adjudication and any appeal;

Notifying the Complainant and Respondent of their right to be accompanied by an advisor of their choice, as specified in "Advisor of Choice."

Notifying the Complainant and Respondent of their right to inspect and review evidence as specified in "Access to Evidence."

Notifying the Complainant and Respondent of NCMC's prohibitions on retaliation and false statements specified in Sections "Bad Faith Complaints and False Information" and "Retaliation." Information about resources that are available on campus and in the community.

Should NCMC elect, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, NCMC will provide a supplemental written notice describing the additional allegations to be investigated.

3.19. INVESTIGATION

3.19.1. Commencement and Timing After the written notice of Formal Complaint is transmitted to the parties, an investigator selected by the Title IX Coordinator will undertake an investigation to gather evidence relevant to the alleged misconduct, including inculpatory and exculpatory evidence. The burden of gathering evidence sufficient to reach a determination in the adjudication lies with NCMC and not with the parties. The investigation will culminate in a written investigation report, specified in "Investigation Report," that will be submitted to the adjudicator during the selected adjudication process. Although the length of each investigation may vary depending on the totality of the circumstances, NCMC strives to complete each investigation within thirty (30) to forty-five (45) days of the transmittal of the written notice of Formal Complaint.

3.19.2. Equal Opportunity During the investigation, the investigator will provide an equal opportunity for the parties to be interviewed, to present witnesses (including fact and expert witnesses), and to present other inculpatory and exculpatory evidence. Notwithstanding the foregoing, the investigator retains discretion to limit the number of witness interviews the investigator conducts if the investigator finds that testimony would be unreasonably cumulative, if the witnesses are offered solely as character references and

do not have information relevant to the allegations at issue, or if the witnesses are offered to render testimony that is categorically inadmissible, such as testimony concerning sexual history of the Complainant, as specified in “Sexual History.” The investigator will not restrict the ability of the parties to gather and present relevant evidence on their own. The investigation is a party’s opportunity to present testimonial and other evidence that the party believes is relevant to resolution of the allegations in the Formal Complaint. A party that is aware of and has a reasonable opportunity to present particular evidence and/or identify particular witnesses during the investigation, and elects not to, will be prohibited from introducing any such evidence during the adjudication absent a showing of mistake, inadvertence, surprise, or excusable neglect.

3.19.3. Documentation of Investigation The investigator will take reasonable steps to ensure the investigation is documented. Interviews of the parties and witnesses may be documented by the investigator’s notes, audio recorded, video recorded, or transcribed. The particular method utilized to record the interviews of parties and witnesses will be determined by the investigator in the investigator’s sole discretion, although whatever method is chosen shall be used consistently throughout a particular investigation.

3.19.4. Access to Evidence At the conclusion of the evidence-gathering phase of the investigation, but prior to the completion of the investigation report, the Investigating Officer will transmit to each party and their advisor, in either electronic or hard copy form, all evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint, including evidence NCMC may choose not to rely on at any hearing and inculpatory or exculpatory evidence whether obtained from a party or some other source. Thereafter, the parties will have ten (10) days in which to submit to the investigator a written response, which the investigator will consider prior to completing the investigation report.

The parties and their advisors are permitted to review the evidence solely for the purposes of this grievance process and may not duplicate or disseminate the evidence to the public.

3.19.5. Investigation Report After the period for the parties to provide any written response as specified “Access to Evidence” has expired, the investigator will complete a written investigation report that fairly summarizes the various steps taken during the investigation, summarizes the relevant evidence collected, lists material facts on which the parties agree, and lists material facts on which the parties do not agree. When the investigation report is complete, the investigator will transmit a copy to the Title IX Coordinator. The investigator will also transmit the investigation report to each party and their advisor, in either electronic or hard copy form.

3.20. ADJUDICATION PROCESS SELECTION After the investigator has sent the investigation report to the parties, the Title IX Coordinator will transmit to each party a notice advising the party of the two different adjudication processes specified in “Adjudication.” The notice will explain that the hearing process specified in “Hearing Process” is the default process for adjudicating all Formal Complaints and will be utilized unless both parties voluntarily consent to administrative adjudication as specified in “Administrative Adjudication (Optional)” as a form of informal

resolution. The notice will be accompanied by a written consent to administrative adjudication and will advise each party that, if both parties execute the written consent to administrative adjudication, then the administrative adjudication process will be used in lieu of the hearing process. Parties are urged to carefully review this policy (including the entirety of “Adjudication”), consult with their advisor, and consult with other persons as they deem appropriate (including an attorney) prior to consenting to administrative adjudication.

Each party will have three (3) days from transmittal of the notice specified in this Section to return the signed written consent form to the Title IX Coordinator. If either party does not timely return the signed written consent, that party will be deemed not to have consented to administrative adjudication and the Formal Complaint will be adjudicated pursuant to the hearing process.

3.21. ADJUDICATION

3.21.1. Hearing Process The default process for adjudicating Formal Complaints is the hearing process specified in this Section (“Hearing Process”). The hearing process will be used to adjudicate all Formal Complaints unless both parties timely consent to administrative adjudication as specified in “Adjudication Process Selection.”

3.21.2. Hearing Officer After selection of the hearing process as the form of administrative adjudication, the Title IX Coordinator will promptly appoint a hearing officer who will oversee the hearing process and render a determination of responsibility for the allegations in the Formal Complaint, at the conclusion of the hearing process. The Title IX Coordinator will see that the hearing officer is provided a copy of the investigation report and a copy of all evidence transmitted to the parties by the investigator as specified in “Access to Evidence.”

3.21.3. Hearing Notice and Response to the Investigation Report After the hearing officer is appointed by the Title IX Coordinator, the hearing officer will promptly transmit written notice to the parties notifying the parties of the hearing officer’s appointment; setting a deadline for the parties to submit any written response to the investigation report; setting a date for the pre-hearing conference; setting a date and time for the hearing; and providing a copy of NCMC’s Hearing Procedures. Neither the pre-hearing conference, nor the hearing itself, may be held any earlier than ten (10) days from the date of transmittal of the written notice specified in this Section (“Hearing Notice and Response to the Investigation Report”).

A party’s written response to the investigation report must include:

To the extent the party disagrees with the investigation report, any argument or commentary regarding such disagreement;

Any argument that evidence should be categorically excluded from consideration at the hearing based on privilege, relevancy, the prohibition on the use of sexual history specified in “Sexual History,” or for any other reason;

A List of any witnesses that the party contends should be requested to attend the hearing pursuant to an attendance notice issued by the hearing officer;

A list of any witnesses that the party intends to bring to the hearing without an attendance

notice issued by the hearing officer;

Any objection that the party has to NCMC's Hearing Procedures;

Any request that the parties be separated physically during the pre-hearing conference and/or hearing;

Any other accommodations that the party seeks with respect to the pre-hearing conference and/or hearing;

The name and contact information of the advisor who will accompany the party at the pre-hearing conference and hearing;

If the party does not have an advisor who will accompany the party at the hearing, a request that NCMC provide an advisor for purposes of conducting questioning as specified in "Hearing."

A party's written response to the investigation report may also include:

Argument regarding whether any of the allegations in the Formal Complaint are supported by a preponderance of the evidence; and

Argument regarding whether any of the allegations in the Formal Complaint constitute Sexual Harassment.

- 3.21.4. Issuance of Notices of Attendance After the pre-hearing conference, the hearing officer will transmit notices of attendance to any NCMC employee (including administrator, faculty, or staff) or student whose attendance is requested at the hearing as a witness. The notice will advise the subject of the specified date and time of the hearing and advise the subject to contact the hearing officer immediately if there is a material and unavoidable conflict.

The subject of an attendance notice should notify any manager, faculty member, coach, or other supervisor, as necessary, if attendance at the hearing will conflict with job duties, classes, or other obligations. All such managers, faculty members, coaches, and other supervisors are required to excuse the subject of the obligation, or provide some other accommodation, so that the subject may attend the hearing as specified in the notice. NCMC will not issue a notice of attendance to any witness who is not an employee or a student.

- 3.21.5. Hearing After the pre-hearing conference, the hearing officer will convene and conduct a hearing pursuant to NCMC's Hearing Procedures. The hearing will be audio recorded. The audio recording will be made available to the parties for inspection and review on reasonable notice, including for use in preparing any subsequent appeal.
- The hearing will be conducted live, with simultaneous and contemporaneous participation by the parties and their advisors. By default, the hearing will be conducted with the hearing officer, the parties, the advisors, witnesses, and other necessary NCMC personnel together in the same physical location. However, upon request of either party, the parties will be separated into different rooms with technology enabling the parties to participate simultaneously and contemporaneously by video and audio.

In the hearing officer's discretion, the hearing may be conducted virtually, by use of video and audio technology, where all participants participate simultaneously and contemporaneously by use of such technology.

While the Hearing Procedures and rulings from the hearing officer will govern the particulars of the hearing, each hearing will include, at a minimum:

Opportunity for each party to address the hearing officer directly and to respond to questions posed by the hearing officer;

Opportunity for each party's advisor to ask directly, orally, and in real time, relevant questions, and follow up questions, of the other party and any witnesses, including questions that support or challenge credibility

Opportunity for each party to raise contemporaneous objections to testimonial or non-testimonial evidence and to have such objections ruled on by the hearing officer and a reason for the ruling provided;

Opportunity for each party to submit evidence that the party did not present during the investigation due to mistake, inadvertence, surprise, or excusable neglect;

Opportunity for each party to make a brief closing argument.

Except as otherwise permitted by the hearing officer, the hearing will be closed to all persons except the parties, their advisors, the investigator, the hearing officer, the Title IX Coordinator, and other necessary NCMC personnel. With the exception of the investigator and the parties, witnesses will be sequestered until such time as their testimony is complete.

During the hearing, the parties and their advisors will have access to the investigation report and evidence that was transmitted to them pursuant to "Access to Evidence."

While a party has the right to attend and participate in the hearing with an advisor, a party and/or advisor who materially and repeatedly violates the rules of the hearing in such a way as to be materially disruptive, may be barred from further participation and/or have their participation limited, as the case may be, in the discretion of the hearing officer.

Subject to the minimum requirements specified in this Section ("Hearing"), the hearing officer will have sole discretion to determine the manner and particulars of any given hearing, including with respect to the length of the hearing, the order of the hearing, and questions of admissibility. The hearing officer will independently and contemporaneously screen questions for relevance in addition to resolving any contemporaneous objections raised by the parties and will explain the rationale for any evidentiary rulings.

The hearing is not a formal judicial proceeding and strict rules of evidence do not apply. The hearing officer will have discretion to modify the Hearing Procedures, when good cause exists to do so, and provided the minimal requirements specified in this Section ("Hearing") are met.

- 3.21.6. Subjection to Questioning In the event that any party or witness refuses to attend the hearing, or attends but refuses to submit to questioning by the parties' advisors, the statements of that party or witness, as the case may be, whether given during the

investigation or during the hearing, will not be considered by the hearing officer in reaching a determination of responsibility.

Notwithstanding the foregoing, the hearing officer may consider the testimony of any party or witness, whether given during the investigation or during the hearing, if the parties jointly stipulate that the testimony may be considered or in the case where neither party requested attendance of the witness at the hearing.

In applying this Section ("Subjection to Questioning"), the hearing officer will not draw an inference about the determination regarding responsibility based solely on a party or a witness's absence from the live hearing and/or refusal to submit to questioning by the parties' advisors.

- 3.21.7. Deliberation and Determination After the hearing is complete, the hearing officer will objectively evaluate all relevant evidence collected during the investigation, including both inculpatory and exculpatory evidence, together with testimony and non-testimony evidence received at the hearing, and ensure that any credibility determinations made are not based on a person's status as a Complainant, Respondent, or witness. The hearing officer will take care to exclude from consideration any evidence that was ruled inadmissible at the pre-hearing conference, during the hearing, or by operation of "Subjection to Questioning." The hearing officer will resolve disputed facts using a preponderance of the evidence (that is, "more likely than not") standard and reach a determination regarding whether the facts that are supported by a preponderance of the evidence constitute one or more violations of the policy as alleged in the Formal Complaint.
- 3.21.8. Discipline and Remedies In the event the hearing officer determines that the Respondent is responsible for violating this policy, the hearing officer will, prior to issuing a written decision, consult with an appropriate NCMC official with disciplinary authority over the Respondent and such official will determine any discipline to be imposed. The hearing officer will also, prior to issuing a written decision, consult with the Title IX Coordinator who will determine whether and to what extent ongoing support measures or other remedies will be provided to the Complainant.
- 3.21.9. Written Decision After reaching a determination and consulting with the appropriate NCMC official and Title IX Coordinator as required by "Discipline and Remedies," the hearing officer will prepare a written decision that will include:
- Identification of the allegations potentially constituting Sexual Harassment made in the Formal Complaint;
 - A description of the procedural steps taken by NCMC upon receipt of the Formal Complaint, through issuance of the written decision, including notification to the parties, interviews with the parties and witnesses, site visits, methods used to gather non-testimonial evidence, and the date, location, and people who were present at or presented testimony at the hearing.
 - Articulate findings of fact, made under a preponderance of the evidence standard, that support the determination;
 - A statement of, and rationale for, each allegation that constitutes a separate potential

incident of Sexual Harassment, including a determination regarding responsibility for each separate potential incident;

The discipline determined by the appropriate NCMC official as referenced in “Discipline and Remedies,

Whether the Complainant will receive any ongoing support measures or other remedies as determined by the Title IX Coordinator; and

A description of NCMC’s process and grounds for appeal, as specified in “Appeal.”

The hearing officer’s written determination will be transmitted to the parties. Transmittal of the written determination to the parties concludes the hearing process, subject to any right of appeal as specified in “Appeal.”

Although the length of each adjudication by hearing will vary depending on the totality of the circumstances, NCMC strives to issue the hearing officer’s written determination within fourteen (14) days of the conclusion of the hearing.

3.22. ADMINISTRATIVE ADJUDICATION (OPTIONAL) In lieu of the hearing process, the parties may consent to have a Formal Complaint resolved by administrative adjudication as a form of informal resolution. Administrative adjudication is voluntary and must be consented to in writing by both parties and approved by the Title IX Coordinator as specified in “Adjudication Process Selection.” At any time prior to the issuance of the administrative officer’s determination, a party has the right to withdraw from administrative adjudication and request a live hearing as specified in “Hearing Process.”

If administrative adjudication is selected, the Title IX Coordinator will appoint an administrative officer. The Title IX Coordinator will see that the administrative adjudicator is provided a copy of the investigation report and a copy of all the evidence transmitted to the parties by the investigator as specified in “Access to Evidence.”

The administrative officer will promptly send written notice to the parties notifying the parties of the administrative officer’s appointment; setting a deadline for the parties to submit any written response to the investigation report; and setting a date and time for each party to meet with the administrative officer separately. The administrative officer’s meetings with the parties will not be held any earlier than ten (10) days from the date of transmittal of the written notice specified in this paragraph.

A party’s written response to the investigation report must include:

To the extent the party disagrees with the investigation report, any argument or commentary regarding such disagreement

Any argument that a particular piece or class of evidence should be categorically excluded from consideration at the hearing based on privilege, relevancy, the prohibition on the use of sexual history specified in “Sexual History,” or for any other reason;

Argument regarding whether any of the allegations in the Formal Complaint are supported by a preponderance of the evidence;

Argument regarding whether any of the allegations in the Formal Complaint constitute Sexual Harassment.

After reviewing the parties' written responses, the administrative officer will meet separately with each party to provide the party with an opportunity make any oral argument or commentary the party wishes to make and for the administrative officer to ask questions concerning the party's written response, the investigative report, and/or the evidence collected during the investigation. After meeting with each party, the administrative officer will objectively evaluate all relevant evidence, including both inculpatory and exculpatory evidence and ensure that any credibility determinations made are not based on a person's status as a Complainant, Respondent, or witness. The administrative officer will take care to exclude from consideration any evidence that the administrative officer determines should be ruled inadmissible based on the objections and arguments raised by the parties in their respective written responses to the investigation report. The administrative officer will resolve disputed facts using a preponderance of the evidence (that is, "more likely than not") standard and reach a determination regarding whether the facts that are supported by a preponderance of the evidence constitute one or more violations of the policy as alleged in the Formal Complaint.

Thereafter, the administrative officer will consult with any NCMC official and the Title IX Coordinator, in the manner specified in "Deliberation and Determination" and will prepare and transmit a written decision in the manner as specified in "Written Decision" which shall serve as a resolution for purposes of informal resolution.

Transmittal of the administrative officer's written determination concludes the administrative adjudication, subject to any right of appeal as specified in "Appeal"

Although the length of each administrative adjudication will vary depending on the totality of the circumstances, NCMC strives to issue the administrative officer's written determination within twenty-one (21) days of the transmittal of the initiating written notice specified in this Section ("Administrative Adjudication").

Other language in this Section ("Administrative Adjudication") notwithstanding, informal resolution will not be permitted if the Respondent is a non-student employee accused of committing Sexual Harassment against a student.

- 3.23. DISMISSAL DURING INVESTIGATION OR ADJUDICATION NCMC shall dismiss a Formal Complaint at any point during the investigation or adjudication process if the Title IX Coordinator determines that one or more of the following is true:

The Conduct alleged in the Formal Complaint would not constitute Sexual Harassment, even if proved; or

The conduct alleged in the Formal Complaint falls outside the scope of the policy specified in "Scope" (that is, because the alleged conduct did not occur in NCMC's Education Programs or Activities and/or the alleged conduct occurred outside the geographic boundaries of the United States).

NCMC may dismiss a Formal Complaint at any point during the investigation or adjudication process if the Title IX Coordinator determines that any one or more of the following is true:

The Complainant provides the Title IX Coordinator written notice that the Complainant wishes to withdraw the Formal Complaint or any discrete allegations therein (in which case those discrete allegations may be dismissed);

The Respondent is no longer enrolled or employed by NCMC, as the case may be; or Specific circumstances prevent NCMC from gathering evidence sufficient to reach a determination as to the Formal Complaint, or any discrete allegations therein (in which case those discrete allegations may be dismissed).

In the event the Title IX Coordinator dismisses a Formal Complaint pursuant to this Section, the Title IX Coordinator will provide written notice of dismissal to the parties and advise them of their right to appeal as specified in "Appeal." The Title IX Coordinator may refer the subject matter of the Formal Complaint to other NCMC offices, as appropriate. A dismissal pursuant to this Section is presumptively a final determination as it pertains to this policy, unless otherwise specified in writing by the Title IX Coordinator in the written notice of dismissal.

3.24. APPEAL Either party may appeal the determination of an adjudication, or a dismissal of a Formal Complaint, on one or more of the following grounds:

A procedural irregularity affected the outcome;

There is new evidence that was not reasonably available at the time the determination or dismissal was made, that could have affected the outcome;

The Title IX Coordinator, investigator, hearing officer, or administrative officer, as the case may be, had a conflict of interest or bias for or against complainants or respondents generally, or against the individual Complainant or Respondent, that affected the outcome.

No other grounds for appeal are permitted.

A party must file an appeal within seven (7) days of the date they receive notice of dismissal or determination appealed from or, if the other party appeals, within three (3) days of the other party appealing, whichever is later. The appeal must be submitted in writing to the Vice President of Academic Affairs, who serves as the appeal officer. The appeal must specifically identify the determination and/or dismissal appealed from, articulate which one or more of the three grounds for appeal are being asserted, explain in detail why the appealing party believes the appeal should be granted, and articulate what specific relief the appealing party seeks.

Promptly upon receipt of an appeal, the appeal officer will conduct an initial evaluation to confirm that the appeal is timely filed and that it invokes at least one of the permitted grounds for appeal. If the appeal officer determines that the appeal is not timely, or that it fails to invoke a permitted ground for appeal, the appeal officer will dismiss the appeal and provide written notice of the same to the parties.

If the appeal officer confirms that the appeal is timely and invokes at least one permitted ground for appeal, the appeal officer will provide written notice to the other party that an appeal has been filed and that the other party may submit a written opposition to the appeal within seven (7) days. The appeal officer shall also promptly obtain from the Title IX Coordinator any records from the investigation and adjudication necessary to resolve the grounds raised in the appeal.

Upon receipt of any opposition, or after the time period for submission of an opposition has passed without one being filed, the appeal officer will promptly decide the appeal and transmit a written decision to the parties that explains the outcome of the appeal and the rationale.

The determination of a Formal Complaint, including any discipline, becomes final when the time for appeal has passed with no party filing an appeal or, if any appeal is filed, at the point when the appeal officer has resolved all appeals, either by dismissal or by transmittal of a written decision. No further review beyond the appeal is permitted.

Although the length of each appeal will vary depending on the totality of the circumstances, NCMC strives to issue the appeal officer's written decision within (21) days of an appeal being filed.

- 3.25. **ADVISOR OF CHOICE** From the point a Formal Complaint is made, and until an investigation, adjudication, and appeal are complete, the Complainant and Respondent will have the right to be accompanied by an advisor of their choice to all meetings, interviews, and hearings that are part of the investigation, adjudication, and appeal process. The advisor may be, but is not required to be, an attorney.

Except for the questioning of witnesses during the hearing specified in "Hearing," the advisor will play a passive role and is not permitted to communicate on behalf of a party, insist that communication flow through the advisor, or communicate with NCMC about the matter without the party being included in the communication. In the event a party's advisor of choice engages in material violation of the parameters specified in this Section and "Hearing," NCMC may preclude the advisor from further participation, in which case the party may select a new advisor of their choice.

In the event a party is not able to secure an advisor to attend the hearing specified in "Hearing," and requests NCMC to provide an advisor, NCMC will provide the party an advisor, without fee or charge, who will conduct questioning on behalf of the party at the hearing. NCMC will have sole discretion to select the advisor it provides. The advisor NCMC provides may be, but is not required to be, an attorney.

NCMC is not required to provide a party with an advisor in any circumstance except where the party does not have an advisor present at the hearing specified in "Hearing," and requests that NCMC provide an advisor.

- 3.26. **TREATMENT RECORDS AND OTHER PRIVILEGED INFORMATION** During the investigation and adjudication processes, the investigator and adjudicator, as the case may be, are not permitted to access, consider, disclose, permit questioning concerning, or otherwise use:

A party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party; or

Information or records protected from disclosure by any other legally-recognized privilege, such as the attorney client privilege

Unless NCMC has obtained the party's voluntary, written consent to do so for the purposes of the investigation and adjudication process.

Notwithstanding the foregoing, the investigator and/or adjudicator, as the case may be, may consider any such records or information otherwise covered by this Section if the party holding the privilege affirmatively discloses the records or information to support their allegation or defense, as the case may be.

- 3.27. **SEXUAL HISTORY** During the investigation and adjudication processes, questioning regarding a Complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the Complainant's prior sexual behavior are offered to prove that someone other than the Respondent committed the conduct alleged, or if the questions and evidence concern specific incidents of the Complainant's prior sexual behavior with respect to the Respondent and are offered to prove consent. Notwithstanding the foregoing, a Complainant who affirmatively uses information otherwise considered irrelevant by this Section for the purpose of supporting the Complainant's allegations, may be deemed to have waived the protections of this Section.
- 3.28. **INFORMAL RESOLUTION** At any time after the parties are provided written notice of the Formal Complaint as specified in "Notice of Formal Complaint," and before the completion of any appeal specified in "Appeal," the parties may voluntarily consent, with the Title IX Coordinator's approval, to engage in mediation, facilitated resolution, or other form of dispute resolution the goal of which is to enter into a final resolution resolving the allegations raised in the Formal Complaint by agreement of the parties. Administrative Adjudication as specified in "Administrative Adjudication" is a form of informal resolution.
- The specific manner of any informal resolution process will be determined by the parties and the Title IX Coordinator, in consultation together. Prior to commencing the informal resolution process agreed upon, the Title IX Coordinator will transmit a written notice to the parties that:
- Describes the parameters and requirements of the informal resolution process to be utilized;
 - Identifies the individual responsible for facilitating the informal resolution (who may be the Title IX Coordinator, another NCMC official, or a suitable third-party);
 - Explains the effect of participating in informal resolution and/or reaching a final resolution will have on a party's ability to resume the investigation and adjudication of the allegations at issue in the Formal Complaint; and
 - Explains any other consequence resulting from participation in the informal resolution process, including a description of records that will be generated, maintained, and/or shared.
- After receiving the written notice specified in this paragraph, each party must voluntarily provide written consent to the Title IX Coordinator, before the informal resolution may commence. During the pendency of the informal resolution process, the investigation and adjudication processes that would otherwise occur are stayed and all related deadlines are suspended. If the parties reach a resolution through the informal resolution process, and the Title IX Coordinator agrees that the resolution is not clearly unreasonable, the Title IX Coordinator will reduce the terms of the agreed resolution to writing and present the resolution to the parties for their written signature. Once both parties and the Title IX Coordinator sign the resolution, the resolution is final, and the allegations addressed by the resolution are considered resolved and will not be subject to further investigation, adjudication, remediation, or discipline by NCMC, except as otherwise provided in the resolution itself, absent a showing that a party induced the resolution by fraud, misrepresentation, or other misconduct or where required to avoid a manifest injustice to either party or to NCMC. Notwithstanding the foregoing if the form of informal resolution is Administrative Adjudication as specified in "Administrative Adjudication," there shall not be an

agreed resolution requiring the parties' signatures; instead, the determination issued by the administrative officer shall serve as the resolution and conclude the informal resolution process, subject only to any right of appeal. With the exception of a resolution resulting from the Administrative Adjudication process specified in "Administrative Adjudication," all other forms of informal resolution pursuant to this Section are not subject to appeal.

A party may withdraw their consent to participate in informal resolution at any time before a resolution has been finalized.

Absent extension by the Title IX Coordinator, any informal resolution process must be completed within twenty-one (21) days. If an informal resolution process does not result in a resolution within twenty-one (21) days, and absent an extension, abeyance, or other contrary ruling by the Title IX Coordinator, the informal resolution process will be deemed terminated, and the Formal Complaint will be resolved pursuant to the investigation and adjudication procedures. The Title IX Coordinator may adjust any time periods or deadlines in the investigation and/or adjudication process that were suspended due to the informal resolution.

Other language in this Section notwithstanding, informal resolution will not be permitted if the Respondent is a non-student employee accused of committing Sexual Harassment against a student.

- 3.29. **PRESUMPTION OF NON-RESPONSIBILITY** From the time a report or Formal Complaint is made, a Respondent is presumed not responsible for the alleged misconduct until a determination regarding responsibility is made final.
- 3.30. **RESOURCES** Any individual affected by or accused of Sexual Harassment will have equal access to support and counseling services offered through NCMC. NCMC encourages any individual who has questions or concerns to seek support of NCMC identified resources. The Title IX Coordinator is available to provide information about NCMC's policy and procedure and to provide assistance. A list of NCMC identified resources is located at the following link:
<https://www.ncmissouri.edu/titleix/resources/>
- 3.31. **CONFLICTS OF INTEREST, BIAS, AND PROCEDURAL COMPLAINTS** The Title IX Coordinator, investigator, hearing officer, administrative officer, appeals officer, and informal resolution facilitator will be free of any material conflicts of interest or material bias. Any party who believes one or more of these NCMC officials has a material conflict of interest or material bias must raise the concern promptly so that NCMC may evaluate the concern and find a substitute, if appropriate. The failure of a party to timely raise a concern of a conflict of interest or bias may result in a waiver of the issue for purposes of any appeal specified in "Appeal," or otherwise.
- 3.32. **OBJECTIONS GENERALLY** Parties are expected to raise any objections, concerns, or complaints about the investigation, adjudication, and appeals process in a prompt and timely manner so that NCMC may evaluate the matter and address it, if appropriate.
- 3.33. **CONSTITUTIONAL RIGHTS AND ACADEMIC FREEDOM** NCMC will construe and apply this policy consistent with the First Amendment to the U.S. Constitution and the principles of academic freedom specified in the Faculty Handbook. In no case will a Respondent be found to have committed Sexual Harassment based on expressive conduct that is protected by the First Amendment and/or the principles of academic freedom specified in the Faculty Handbook.

- 3.34. **RELATIONSHIP WITH CRIMINAL PROCESS** This policy sets forth NCMC's processes for responding to reports and Formal Complaints of Sexual Harassment. NCMC's processes are separate, distinct, and independent of any criminal processes. While NCMC may temporarily delay its processes under this policy to avoid interfering with law enforcement efforts if requested by law enforcement, NCMC will otherwise apply this policy and its processes without regard to the status or outcome of any criminal process.
- 3.35. **RECORDINGS** Wherever this policy specifies that an audio or video recording will be made, the recording will be made only by NCMC and is considered property of NCMC, subject to any right of access that a party may have under this policy, FERPA, and other applicable federal, state, or local laws. Only NCMC is permitted to make audio or video recordings under this policy. The surreptitious recording of any meeting, interview, hearing, or other interaction contemplated under this policy is strictly prohibited. Any party who wishes to transcribe a hearing by use of a transcriptionist must seek pre-approval from the hearing officer.
- 3.36. **VENDORS CONTRACTORS AND THIRD PARTIES** NCMC does business with various vendors, contractors, and other third-parties who are not students or employees of NCMC. Notwithstanding any rights that a given vendor, contractor, or third-party Respondent may have under this policy, NCMC retains its right to limit any vendor, contractor, or third-party's access to campus for any reason. And NCMC retains all rights it enjoys by contract or law to terminate its relationship with any vendor, contractor, or third-party irrespective of any process or outcome under this policy.
- 3.37. **BAD FAITH COMPLAINTS AND FALSE INFORMATION** It is a violation of this policy for any person to submit a report or Formal Complaint that the person knows, at the time the report or Formal Complaint is submitted, to be false or frivolous. It is also a violation of this policy for any person to knowingly make a materially false statement during the course of an investigation, adjudication, or appeal under this policy. Violations of this Section are not subject to the investigation and adjudication processes in this policy; instead, they will be addressed under the Code of Student Conduct in the case of students and other NCMC policies and standards, as applicable, for other persons.
- 3.38. **RETALIATION** It is a violation of this policy to engage in Retaliation. Reports and Formal Complaints of retaliation may be made in the manner specified in "Reporting Sexual Harassment," and "Formal Complaint." Any report or Formal Complaint of Retaliation will be processed under this policy in the same manner as a report or Formal Complaint of Sexual Harassment, as the case may be. NCMC retains discretion to consolidate a Formal Complaint of Retaliation with a Formal Complaint of Sexual Harassment for investigation and/or adjudication purposes if the two Formal Complaints share a common nexus.
- 3.39. **CONFIDENTIALITY** NCMC will keep confidential the identity of any individual who has made a report or Formal Complaint of Sexual Harassment or Retaliation including any Complainant, the identity of any individual who has been reported to be a perpetrator of Sexual Harassment or Retaliation including any Respondent, and the identity of any witness. NCMC will also maintain the confidentiality of its various records generated in response to reports and Formal Complaints, including, but not limited to, information concerning Supportive Measures, notices, investigation

materials, adjudication records, and appeal records. Notwithstanding the foregoing, NCMC may reveal the identity of any person or the contents of any record if permitted by FERPA, if necessary to carry out NCMC's obligations under Title IX and its implementing regulations including the conduct of any investigation, adjudication, or appeal under this policy or any subsequent judicial proceeding, or as otherwise required by law. Further, notwithstanding NCMC's general obligation to maintain confidentiality as specified herein, the parties to a report or Formal Complaint will be given access to investigation and adjudication materials in the circumstances specified in this policy.

While NCMC will maintain confidentiality specified in this Section, NCMC will not limit the ability of the parties to discuss the allegations at issue in a particular case. Parties are advised, however, that the manner in which they communicate about, or discuss a particular case, may constitute Sexual Harassment or Retaliation in certain circumstances and be subject to discipline pursuant to the processes specified in this policy.

Note that certain types of Sexual Harassment are considered crimes for which NCMC must disclose crime statistics in its Annual Security Report that is provided to the campus community and available to the public. These disclosures will be made without including personally identifying information.

3.40. OTHER VIOLATIONS OF THIS POLICY Alleged violations of this policy, other than violations of the prohibitions on Sexual Harassment and Retaliation, will be subject to review under the Student Code of Conduct for students, the Faculty Handbook for faculty, or other NCMC policies and standards for employees.

3.41. SIGNATURES AND FORM OF CONSENT For purposes of this policy, either a physical signature or digital signature will be sufficient to satisfy any obligation that a document be signed. Where this policy provides that written consent must be provided, consent in either physical or electronic form, containing a physical or digital signature, as the case may be, will suffice.

3.42. DEADLINES, TIME, NOTICES, AND METHOD OF TRANSMITTAL Where this policy specifies a period of days by which some act must be performed, the following method of calculation applies:

Exclude the day of the event that triggers the period;

Count every day, including intermediate Saturdays, Sundays, and legal holidays recognized by the federal government;

Include the last day of the period until 5:00 p.m. central time, but if the last day is a Saturday, Sunday, or legal holiday recognized by the federal government, the period continues to run until 5:00 p.m. central time on the next day that is not a Saturday, Sunday, or legal holiday recognized by the federal government

All deadlines and other time periods specified in this policy are subject to modification by NCMC where, in NCMC's sole discretion, good cause exists. Good cause may include, but is not limited to, the unavailability of parties or witnesses; the complexities of a given case; extended holidays or closures; sickness of the investigator, adjudicator, or the parties; the need to consult with NCMC's legal counsel; unforeseen weather events; and the like.

Any party who wishes to seek an extension of any deadline or other time period may do so by filing a request with the investigator, hearing officer, administrative officer, appeal officer, or Title

IX Coordinator, as the case may be, depending on the phase of the process. Such request must state the extension sought and explain what good cause exists for the requested extension. NCMC officer resolving the request for extension may, but is not required to, give the other party an opportunity to object. Whether to grant such a requested extension will be in the sole discretion of NCMC.

The parties will be provided written notice of the modification of any deadline or time period specified in this policy, along with the reasons for the modification.

Where this policy refers to notice being given to parties “simultaneously,” notice will be deemed simultaneous if it is provided in relative proximity on the same day. It is not necessary that notice be provided at exactly the same hour and minute.

Unless otherwise specified in this policy, the default method of transmission for all notices, reports, responses, and other forms of communication specified in this policy will be email using NCMC email addresses.

A party is deemed to have received notice upon transmittal of an email to their NCMC email address. In the event notice is provided by mail, a party will be deemed to have received notice three (3) days after the notice in question is postmarked.

Any notice inviting or requiring a party or witness to attend a meeting, interview, or hearing will be provided with sufficient time for the party to prepare for the meeting, interview, or hearing as the case may be, and will include relevant details such as the date, time, location, purpose, and participants. Unless a specific number of days is specified elsewhere in this policy, the sufficient time to be provided will be determined in the sole discretion of NCMC, considering all the facts and circumstances, including, but not limited to, the nature of the meeting, interview, or hearing; the nature and complexity of the allegations at issue; the schedules of relevant NCMC officials; approaching holidays or closures; and the number and length of extensions already granted.

- 3.43. **OTHER FORMS OF DISCRIMINATION** This policy applies only to Sexual Harassment. Title IX also prohibits discrimination based on pregnancy, pregnancy-related conditions, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom and are governed by NCMC’s Pregnant or Parenting Students policy. Complaints of other forms of sex discrimination are governed by NCMC’s Non-Discrimination Policy.
- 3.44. **EDUCATION** Faculty, staff and students are provided with ongoing prevention and awareness campaigns and information related to sexual harassment, including sexual assault, dating violence, domestic violence, and stalking, and their role in reporting sexual harassment. Training is also provided to specific audiences, such as Resident Assistants, student athletes, and residential students on, at minimum, an annual basis. All new, full-time students attend mandatory orientation sessions and receive Title IX training. A Safety Awareness Week is also conducted on campus and sexual misconduct education is provided, as well as bystander intervention information. Passive programming is also provided on the NCMC website and portal. A variety of assessments are used to evaluate the effectiveness of training and education initiatives.
- 3.45. **OUTSIDE APPOINTMENTS, DUAL APPOINTMENTS, AND DELEGATIONS** NCMC retains discretion to retain and appoint suitably qualified persons who are not NCMC employees to fulfill any function

of NCMC under this policy, including, but not limited to, the investigator, hearing officer, administrative officer, informal resolution officer, and/or appeals officer.

NCMC also retains discretion to appoint two or more persons to jointly fulfill the role of investigator, hearing officer, administrative officer, informal resolution officer, and/or appeals officer.

The functions assigned to a given NCMC official under this policy, including but not limited to the functions assigned to the Title IX Coordinator, investigator, hearing officer, administrative officer, informal resolution officer, and appeals officer, may, in NCMC's discretion, be delegated by such NCMC official to any suitably qualified individual and such delegation may be recalled by NCMC at any time.

- 3.46. **TRAINING** NCMC will ensure that NCMC officials acting under this policy, including but not limited to the Title IX Coordinator, investigators, hearing officers, administrative officers, informal resolution facilitators, NCMC provided advisors, and appeals officers receive training in compliance with 34 C.F.R. § 106.45(b)(1)(iii) and any other applicable federal or state law.
- 3.47. **RECORDKEEPING** NCMC will retain those records specified in 34 C.F.R. § 106.45(b)(10) for a period of seven years after which point in time they may be destroyed, or continue to be retained, in NCMC's sole discretion. The records specified in 34 C.F.R. § 106.45(b)(10) will be made available for inspection, and/or published, to the extent required by 34 C.F.R. § 106.45(b)(10) and consistent with any other applicable federal or state law, including FERPA.
- 3.48. **DEFINITIONS** Words used in this policy will have those meanings defined herein and if not defined herein will be construed according to their plain and ordinary meaning.
- 3.49. **DISCRETION IN APPLICATION** NCMC retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if NCMC's interpretation or application differs from the interpretation of the parties.
- Despite NCMC's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case NCMC retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.
- The provisions of this policy and the Hearing Procedures referenced in "Hearing" are not contractual in nature, whether in their own right, or as part of any other express or implied contract. Accordingly, NCMC retains discretion to revise this policy and the Hearing Procedures at any time, and for any reason. NCMC may apply policy revisions to an active case provided that doing so is not clearly unreasonable.
- 3.50. **Amorous (Romantic/Sexual) Relationships:** *section added 10/17* Members of the NCMC community, to include students and employees, put academic and professional trust and ethics at risk when they engage in or initiate amorous (romantic/sexual) relationships with individuals they have a direct evaluative or supervisory relationship. This may include, but not be limited to, supervisor and subordinate relationships or instructor and student relationships when an evaluative relationship exists. In these instances, integrity of academic and employment decisions are compromised. These practices are considered a conflict of interest and are prohibited.

- 3.50.1. Any employee or student engaging in these circumstances will be ordered to stop immediately and may face further disciplinary action including possible suspension, expulsion or termination, as relevant to their role within the College.
- 3.50.2. The individual in the evaluative/supervisory position has a responsibility to ensure professional behavior at all times. In such situations the integrity of academic or employment decisions may either be compromised or appear to be compromised. Such situations greatly increase the chances that the individual with the evaluative/supervisory responsibility will abuse her/his power and sexually exploit the employee or student. Moreover, others may be adversely affected by such behavior because it places the supervisor or instructor in a position to favor or advance one employee's/student's interest at the expense of others and implicitly makes obtaining benefits contingent upon romantic or sexual favors.
- 3.50.3. An amorous relationship between two employees or an employee and a student constitutes a conflict of interest when a evaluative/supervisory relationship exists between them while the amorous relationship is occurring. Therefore, it is prohibited and the conflict must be resolved by terminating the direct evaluative/supervisory relationship.
 - 3.50.3.1. To accomplish this resolution, if the amorous relationship exists in a supervisor/supervisee evaluative/supervisory relationship, it must be disclosed to the supervisor's unit head. If an amorous relationship exists between an instructor and student, it must be disclosed to the instructor's respective Dean or VP.
 - 3.50.3.2. The primary responsibility to disclose rests with the person in the evaluative/supervisory position.
 - 3.50.3.3. The individual to whom the disclosure is made is primarily responsible for requiring that actions be taken to resolve the conflict by terminating the evaluative/supervisory relationship. If such actions are outside that individual's authority, the matter shall be referred to the individual with the authority to take such actions.
 - 3.50.3.4. A report of the relationship and the action taken to resolve the conflict shall be made to the Title IX Coordinator.
- 3.50.4. In situations involving spouses, NCMC's Conflict of Interest and Nepotism policies apply. (see *Conflict of Interest* in section 3 and *Nepotism* in section 5)
- 3.50.5. The College strongly discourages amorous relationships between any employee and a student even when no evaluative/supervisory relationship exists.

3.51. **Nondiscrimination:** This policy is designed to express the College's intent and commitment to comply with the requirements of federal, state, and local non-discrimination laws. It shall be applied co-extensively with those non-discrimination laws and shall not be interpreted as creating any rights, contractual or otherwise, that are greater than exist under those laws.

- 3.51.1. North Central Missouri College does not discriminate in its programs, activities and facilities on the basis of race, color, national origin, ethnic characteristics, sex, pregnancy or related condition, disability, actual or perceived religion, age, genetic information, veteran

status, marital status, shared ancestry, gender identity, gender expression, or sexual orientation, as those terms are defined under applicable law, as it administers its admissions policies, educational policies, financial aid, athletic programs, student treatment and services, housing, and other institutionally administered programs or activities and employment. The College also provides equal access to the Boy Scouts and other designated youth groups. North Central Missouri College prohibits sexual harassment, including sexual violence. - 4.4. **Student-Athlete Drug Use Testing Policy** *updated 6/18/2024*
- 4.4.1. Statement of Need and Purpose: North Central Missouri College (NCMC) is concerned for the health and welfare of its student athletes, hereafter referred to as athlete(s). It recognizes substance abuse dependency may interfere with an athlete's health, academic achievement, individual athletic performance and a team's success. It is the intent of the NCMC Athletic Department to educate and inform athletes of the effects of substance

abuse and dependency, thereby enabling athletes to make responsible decisions and allowing NCMC to maintain the integrity of collegiate competition. The purpose is threefold: (A) to provide for the health and safety of all student-athletes; (B) to undermine the effects of peer pressure by providing a legitimate reason for student-athletes to refuse to use illegal drugs; and (C) to encourage student-athletes who use drugs to participate in drug treatment programs. The program is designed to create a safe drug-free environment for student-athletes and to assist them in getting help when needed.

- 4.4.2. Policy: The National Junior College Athletic Association (NJCAA), in accordance with the National College Athletic Association (NCAA) Drug Testing Policy, encourages member institutions to conduct drug testing for the purpose of the well-being of the athlete. Each athlete must consent to be tested for illegal drugs before participating in any athletic competition. Removing the athlete from competition is not the primary objective of NCMC's policy. Rather, the purpose is to deter the use of drugs, counsel, educate, and help those student athletes who may test positive. Violation of this policy will result in the athlete being subject to the sanctions listed in the policy. In addition, the student may be subject to disciplinary action under the rules and procedures described in the Student Conduct Code.
- 4.4.3. Drug Use Testing Policy to be Non-Punitive: No student-athlete will be penalized academically for testing positive for illegal drugs, banned substances, or other items listed below. The results of drug use tests pursuant to this policy will not be documented in any student-athlete's academic records.
- 4.4.4. Drugs Defined: Drugs for which athletes will be tested: (1) Required-tests will be conducted for marijuana (THC), cocaine, opiates, methamphetamines, amphetamines, PCP, benzodiazepines, barbiturates, methadone, oxycodone, MDMA. (2) Optional-NCMC reserves the right to test for any other drugs banned by the NCAA or the NJCAA. Athletes are cautioned to consult the list of NCAA banned-drug classes whenever buying any over-the-counter nonprescription drug. Many common cold medicines and medications for allergy treatments contain small amounts of banned substances (e.g. Co-Tylenol, Sudafed, etc.) that might produce a positive test result. The athlete should also inform his/her private physician of the NCAA banned-drug classes list prior to receiving any prescription. In either case, the athlete will be asked to declare prior to departmental drug testing, any type of drug being used, even if the drug is not listed on the NCAA banned-drug list.
- 4.4.5. Drug Testing Procedures: All athletes will be given an overview of the policy by their coaches and be instructed to view the policy on the NCMC Athletics website. All athletes are required to sign the 'Consent to Drug Testing and Authorization for Release of Test Results Form' prior to initial participation in any athletic competition each year. A minimum of two random athletic department drug tests will occur during the course of one academic year. Anywhere from 5% - 20% of the athletes will be chosen by a process of random selection. If at any point an athlete becomes enrolled in the drug testing protocol, they will be automatically entered into every athletic department drug test, along with any testing involved with the protocol for that academic year. Athletes who display behavior

and/or physical signs and symptoms which lead to a “reasonable suspicion” of drug use may also be required to test at any time in the year. Reasonable suspicion shall be based on the totality of the circumstances, including without limitation: abnormal conduct or significant deterioration of performance, direct observation of drug use or related impairment, a credible report of drug use from an NCMC administrator or coach, or evidence that a student-athlete has made, sold, possessed or used drugs on campus.

- 4.4.6. Alcohol: NCMC does not condone the illegal or otherwise irresponsible use of alcohol. It is the responsibility to know the risks associated with alcohol use and abuse. It should be understood that the possession or consumption of alcoholic beverages by individuals under the age of 21 is a violation of state liquor laws. Likewise, it is illegal for anyone to supply alcoholic beverages to persons under the age of 21. Athletes will face the consequences of residence life policy and punishments set by their Head Coach, if violations occur while they are a residence on campus. Athletes will face sanctions listed below if following alcohol related incidents occur off campus: (1) Driving under the influence (DUI / DWI) or other motor vehicle violations involving alcohol. (2) Public intoxication. (3) Drunk and disorderly. (4) Other violations of the law involving alcohol, including possession if underage.
- 4.4.7. Self-Referral Program: Any athlete may refer himself/herself for evaluation or counseling by contacting their head coach, a member of the athletic training staff, or an athletics department administrator. Athletes must understand that by self-referral, they are voluntarily entering themselves into the drug testing protocol and will be tested every time the athletic department performs a departmental drug test. Below are the provisions of the self-referral program. (1) An athlete may not initiate self-referral after he / she has been informed of their participation in an impending substance abuse test. (2) An athlete cannot enter the self-referral program at any time after a positive test. This includes the entire time of athletic eligibility for that athlete while at NCMC. (3) There will be no team or administrative sanctions imposed upon the athlete from the athletic director for seeking professional help through the self-referral. Head coaches may impose team or administrative sanctions at their discretion. (4) A treatment plan arranged through NCMC office of counseling services will be put into place upon self-referral. In addition, follow-up testing will occur frequently while in the self-referral program. (5) An athlete testing positive on the initial testing after entering this program will not be subject to applicable sanctions. However, a positive test in subsequent retest or failure to adhere to treatment program will result in the appropriate administrative sanctions consistent with a first offense. (6) Self-referral does not exempt an athlete from NJCAA sanctions in the event of NJCAA year round and championship testing.
- 4.4.8. Testing Method: NCMC athletes will be notified of selection for testing by his/her head coach no more than 48 hours in advance of the test. Testing will be conducted at Wright Memorial Hospital in conjunction with their testing lab. Failure to appear will be counted as a positive test and the athletes will enter drug testing protocol. Original results will be gathered, and any results that trigger a positive, are sent for further lab testing to confirm

results by Wright Memorial Hospital. The college may use and distribute test results as provided by law.

4.4.8.1. Procedures for Positive Test results: (1) Athletes will be notified of a positive test result by Athletic Director and their head coach. (2) Athletes will meet with Athletic Department Staff to review test results and discuss all ramifications of a positive test. (3) Athletes that tested positive will be assisted with finding professional substance abuse care. (4) Athletes found responsible for violating this policy will be subject to the sanctions described.

4.4.9. Sanctions: Sanctions may be imposed upon any athlete found to have violated this policy. More than one sanction may be imposed for any violation and the sanctions may be enhanced, i.e., of a greater severity than would usually apply to a given type of misconduct, if the athlete has violated the Student Conduct Code or this policy previously. All athletes found in violation of this policy will be subject to additional drug testing with the frequency and timing to be determined by the Director of Athletics and the Head Coach. Sanctions will be determined by the Athletic Director and the Head Coach and may include one or more of the following: (1) from games, tournaments, or matches (described under "Suspension from Competition and Dismissal"). (2) Community Service-including community service related to drug education. (3) Discretionary sanctions-including, but not limited to, educational programming, substance abuse or mental health assessment, counseling, or other treatment. (4) Dismissal from the team and potential loss of athletic related financial aid. The length of the suspension must meet the minimum suspension periods described in the following tables and will be determined by the Athletic Director and Head Coach. Athletes will be excluded from dressing for games and traveling to team competitions (unless the suspension is set to expire during a road trip). However, an athlete may be suspended for a longer period of time, and be excluded from practices and other team related activities, may be dismissed from the team, or forfeit their athletic related financial aid as a result of one or more offenses as determined by the Head Coach. Suspensions that occur during the athlete's championship season will begin immediately. Athletes who violate this policy while out of season or cannot fulfill the suspensions in their current championship season (injury, ineligible, red shirting, etc.), will serve the remainder of their suspension following year.

4.4.10. First Offense: Sport Minimum Suspension: Baseball = 4 suspension of games/tournaments. Basketball = 2 suspension of games/tournaments. Dance 2 suspension of games/tournaments. eSports 2 suspension of games/tournaments. Golf 1 suspension of games/tournaments. Softball 4 suspension of games/tournaments. (1) Athlete will participate in drug counseling sessions with a counselor provided by NCMC for 6 weeks from the date of the positive test results are received. (2) Athlete will notify their parents by phone the results of a positive test result, in the presence of the Head Coach.

4.4.11. Second Offense: (1) Athlete will participate in drug counseling sessions with a counselor provided by NCMC for 6 weeks from the date of the positive test results are received. (2) Athlete will notify their parents by phone the results of a positive test result, in the

presence of the Head Coach. (3) Athlete will be subject to a drug test at their expense after their game suspension and six week counseling session. The student can compete after completing their game suspensions. If the result of this test is positive, they immediately trigger the third offense. Sport Minimum Suspension: Baseball = 8 suspension of games/tournaments. Basketball = 4 suspension of games/tournaments. Dance 4 suspension of games/tournaments. eSports 4 suspension of games/tournaments. Golf 2 suspension of games/tournaments. Softball 8 suspension of games/tournaments.

4.4.12. Third Offense: Dismissal from the team and forfeit of athletic-related financial aid.

4.4.13. Appeals: The sanctions imposed as a result of a violation of this policy may be appealed by the athlete to the Dean of Student Services or Athletic Director within five (5) business days of the decision. Such appeals will be in writing and will be delivered to the Dean for Student Services or Athletic Director. The Dean or Athletic Director will determine if the sanctions imposed will be stayed pending the outcome of the appellate decision. An appeal will be limited to a review of the written record and supporting documents for one or more of the following purposes: (1) To determine whether the case was handled in conformity with prescribed procedures. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results. (2) To determine whether the sanction(s) imposed were appropriate for the violation in which the athlete was found to have committed.

4.4.13.1. The Dean of Student Services and Athletic Director may affirm, reverse, or modify the decision regarding the sanctions imposed.

The search committee will be instructed by the Board as to its role in the search process and the criteria to be used in evaluating applicants. The search committee will normally submit a slate of candidates to the Board for their consideration as final candidates. The Board will determine whom to invite for an interview and make the final selection. After the selection process is complete, the Board will discharge the search committee. Nothing in this policy will preclude the Board from selecting a president using a different process than described above or from retaining a search consultant.

5.4.2. Acting President: When it becomes necessary to designate an acting president, the Board will involve Board representatives, faculty, administrators, and students at the College in identifying qualified persons for this position. The Board will make the final selection or, if necessary, request additional names for consideration.  - 5.7.6.2.2. All other time not specifically authorized in this manual. (Note: Specific cases of time spent in a manner about which there is doubt as to whether it is time worked or not work for pay purposes are to be referred to the Personnel Office.)
- 5.7.6.3. Time Worked Exceptions: While the work schedules of exempt employees general follow these guidelines, actual hours worked are determined by their supervisors.
- 5.7.7. Overtime: Overtime is time worked in excess of 40 hours in a standard work week. Sick leave, personal leave, vacation leave, jury duty, bereavement, College holidays and closings, or any other form of paid time-off are treated as paid leave and not hours worked in regards to overtime. Only non-exempt employees, as defined by the U.S. Department of Labor, are eligible for overtime compensation.
 - 5.7.7.1. Non-exempt employees may not make unauthorized decisions to work overtime or extra hours. Overtime worked for non-exempt employees must be authorized by the supervisor with a copy of the authorization sent to the Business Office. For non-exempt employees, working outside of the normal work schedule is restricted unless it is de minimis or required by the supervisor. Examples of working outside of the normal work schedule may include working afterhours, working weekends and checking/ responding to College e-mails outside of normal work hours. Similarly, non-exempt employees may not agree, even voluntarily, or otherwise waive their rights under the Fair Labor Standards Act.
 - 5.7.7.2. To ensure compliance with federal and state labor regulations, non-exempt employees must accurately record all working time. In recording working time, insubstantial or insignificant periods of time outside the scheduled working hours that cannot practically be precisely recorded may be disregarded. Overtime is recorded on the employee's time report to the nearest one-fourth hour.
 - 5.7.7.3. Non-exempt staff will receive additional compensation for authorized overtime worked. Such additional compensation is paid at one and one-half times the straight-time rate. Payment for overtime is normally included in the regularly scheduled paycheck following receipt of the employee's time report by the Payroll Department. The timesheet must indicate all overtime hours worked and must be approved by the supervisor.
 - 5.7.7.4. Sick, vacation, and personal leave will not be used to pay an employee more than 40 hours/week.
 - 5.7.7.5. It is expected that activities be planned, organized, and scheduled so that work may be accomplished within the standard workweek. Supervisors have the authority

to determine work schedules and to make individual assignments as necessary. Supervisors may adjust an employee's schedule to maintain a standard workweek. The use of flexible time off is allowed to prevent a non-exempt employee from accumulating more than 40 hours of work within a week. The utilization of flex time must occur within the same work week that the extra hours are worked. *entire Overtime section added 11/22/16*

5.7.8. Flexible Work Schedule Policy: *entire section added June 2018*

5.7.8.1. General Policy

- 5.7.8.1.1. The purpose of flexible work arrangements is to better enable employees to meet the operating needs of the College and to help employees accomplish work more effectively. Not all College positions lend themselves to flexible work arrangements; therefore, decisions will be made on a case-by-case basis and will be dependent on the best interests of the College as determined by its goals and objectives.
- 5.7.8.1.2. The flexible work schedule policy enables employees, with their supervisor's approval, to complete their basic work hour requirement each workweek with flexibility regarding the days that they work and the times that they begin and end work. All terms and conditions of employment remain unchanged during flexible work arrangements except those addressed by the arrangement.
- 5.7.8.1.3. Exempt employees are not covered by the overtime and record keeping requirement of the Fair Labor Standards Act. Therefore, there is inherent flexibility in work scheduling for them. Even though the law allows this latitude, exempt staff members still need to discuss specific scheduling arrangements with their supervisors and obtain their written approval.

5.7.8.2. Program Specifics

- 5.7.8.2.1. Flexible Work Schedule allows for flexible scheduling arrangements that permit variations in starting and departure times, but does not alter the total number of hours worked in a workweek. All flextime arrangements must conform to the overtime, record keeping and break provisions of the Fair Labor Standards Act and applicable college policies.
- 5.7.8.2.2. To ensure that supervisors and employees have a mutual understanding of the specifics of the flextime schedule, it must be documented in writing. Any modifications in the schedule may be made only with the prior consent of supervisor. Some of the possible variations of flextime are: fixed starting and departure times that are selected periodically, starting and departure times that can vary daily, and variations in the length of the workday which may result in a compressed workweek (i.e. a four-day work week similar to the College's normal summer schedule). Regardless of the variations chosen, an employee must work the total standard number of hours each workweek. Flexible schedules may involve the need for staff to be present or accessible during certain core number of hours each day.

5.7.8.2.3. An employee's proposed flexible work schedule will not be approved by their supervisor if it will interfere with the work to be done or service to be performed in a particular department. As a result, not every department will be able to take advantage of this policy at all times.

5.7.8.2.4. This policy does not affect the official hours that offices must be open for business. The privilege of a flexible work schedule may be rescinded by a supervisor or by an employee if the arrangement is not working.

5.7.8.2.5. As is the case with all college policies, the institution has the exclusive right to interpret this policy.

5.7.9. Payroll Deductions: Upon proper written authorization of the employee, the College will administer payroll deductions. Some examples of allowable deductions are savings bonds and personal retirement/investment programs.

5.8. Probationary Employees

5.8.1. All new employees hired for permanent positions are on a probationary basis for the first six months of employment. A three-month evaluation should be held if there are any concerns with the employee's performance; otherwise the final evaluation should take place no later than two weeks prior to the end of the probationary period. An employee may be terminated during the probationary period in accordance with the Policy on Termination of Employment.

5.8.2. Probationary periods may be extended for bona fide reasons. Such extensions must have the approval of the Personnel Officer.

5.9. Annual Performance Evaluation (Administrative/Management/Professional/Classified Employees)

5.9.1. General Policy: The evaluative process assists in identifying the employee's contribution to the College, contributes toward professional growth and development, establishes goals, identifies strengths and areas for improvement, and provides systematic documentation for supporting continuance of employment, pay increases, promotions, or transfers.

5.9.2. The Performance Evaluation (Appraisal) Process: The Performance Evaluation (Appraisal) form should be completed (by the appropriate supervisor) within six months of an employee's initial date of hire and annually thereafter. The form must be reviewed with the employee, signed by the immediate supervisor, and forwarded to the NCMC Human Resources Department where it will be placed in the employee's personnel file. The employee and the appropriate supervisor should retain a copy of the completed form.
(revised 2/26/07)

5.11. Prohibited Activities

5.11.1. Alcohol and Illegal Drugs

- 5.11.1.1. The unlawful possession, purchase, manufacture, use, sale or distribution of illicit drugs and alcohol by employees on college property or at any of its activities is prohibited. Violations of NCMC alcohol and drug policies as stated in College policies or employee handbooks/manuals may result in disciplinary action including corrective discipline, counseling, (faculty) reassignment, verbal warnings, documented warnings, probation, suspension with or without pay, and discharge for employees and/or referral to local law enforcement for prosecution.
- 5.11.1.2. If an employee is convicted of violating criminal laws concerning alcohol or drugs, in addition to civil action, the employee may be subject to termination. Legal sanctions may include classes, community service, fines, prison terms, loss of driving privileges, and mandated rehabilitation programs. Failure to disclose previous convictions on a job application is grounds for termination.
- 5.11.1.3. If an employee is convicted for a violation of a criminal drug statute occurring in the workplace, the employee shall notify the HR office no more than five calendar days after such conviction. After receiving such notice, NCMC will notify the Department of Education in writing within 10 calendar days after receiving notice from an employee of such conviction that includes the employee's position title. Within 30 days of receiving such notification, NCMC will take appropriate personnel action against such employee up to and including termination, or require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health, law enforcement, or other appropriate agency. *Updated 8/25/2021*

5.11.1.4. NCMC supports the laws and regulations of the United States of America, the State of Missouri, Grundy County, and the City of Trenton as well as the counties and cities in which NCMC outreach sites are located. Each student and employee is expected to do the same. Applicable legal sanctions under state, local, and federal law can include: forfeiture of personal property and real estate, fines, revocation of driver's license, probation, parole, imprisonment, mandatory minimum sentences, and deportation for non-US citizens. Conviction of a federal drug crime can also result in the loss of eligibility for Federal financial aid.

5.12. Corrective Discipline for Non-Faculty

5.12.1. General Policy: Corrective discipline is designed to provide employees with the opportunity to become aware of and correct misconduct or substandard job performance. As such, corrective discipline should define what needs to be corrected and a timeline for correction.

5.12.2. Types of Corrective Discipline (not necessarily in sequential order)

5.12.2.1. Verbal warnings are generally used by the supervisor for minor infractions or to correct minor faults in employee performance.

5.12.2.2. Documented warnings are addressed to the employee and utilized when the deficiency or infraction is of a greater degree or if the employee refused to correct faults noted in 5.9.2.1.

5.12.2.3. Probation may be used for serious offenses or for continued substandard performance or misconduct after previous attempts to correct have failed. Probation may be for up to 6 months.

5.12.2.4. Suspension with or without pay may be used for serious offenses or for continued substandard performance or misconduct after previous attempts to correct have failed. Suspension may be for up to 6 months.

5.12.2.5. Discharge

5.12.2.5.1. Discharge is not a type of corrective discipline; however, it is a possible consequence of failure in corrective discipline and is, therefore, considered here. An employee may be discharged when the seriousness of the matter is such that the employee should not be permitted to remain employed by the College.

5.12.2.5.2. Permanent employees below the Dean level and who have completed the probationary period may only be discharged for cause or per Section 5.10.00.

5.12.2.5.3. The College will furnish any discharged employee, below the Dean level, a written statement of the reason(s) for the discharge. RSMo. 290.140

5.12.2.5.4. This discharge policy does not apply to probationary employees who may be terminated any time prior to completion of the probationary period.

5.12.2.5.5. See "Termination of Employment," Section 5.10.

5.12.3. Approvals for Corrective Discipline

5.12.3.1. Supervisors, in consultation with their supervisor and the Personnel Officer, may take corrective discipline with an employee under their authority, with prior approval of the President. Copies of any documented disciplinary action must be furnished to the Personnel Officer and the President.

5.12.3.2. The President has the authority to suspend and/or discharge an employee. Therefore, any probation, suspension or discharge cases must have approval of the Personnel Officer and the President.

5.13. Termination of Employment

5.13.1. Types of Termination: Each termination must be categorized within one of the following seven categories:

5.13.1.1. Resignation

5.13.1.1.1. Employee's request. An employee is expected to give at least two weeks notice prior to the date of resignation. This notice should be in writing.

5.13.1.1.2. Employee walks off the job.

5.13.1.1.3. Employee is absent for three consecutive working days without permission except when an emergency situation precludes notification. Work days are considered consecutive even when broken by normal non-working days such as holidays or weekends.

5.13.1.1.4. Employee fails to return to work within the prescribed time limits following an authorized Leave of Absence.

5.13.1.2. Release: Employee is terminated at the end of temporary employment.

5.13.1.3. Relieved: Employee is terminated during the six-month probationary period. Probationary employees may be terminated any time during the probationary period without recourse.

5.13.1.4. Layoff: Employee is terminated because of reduction in force due to lack of funds, work, or other reasons. Selection of employees for layoff will be on the basis of qualifications and performance as determined by the College, but if such are substantially equal, seniority will be a determining factor.

5.13.1.5. Discharge: Employee is terminated after corrective discipline has failed or the seriousness of an infraction committed by the employee warrants immediate termination.

5.13.1.6. Retirement: Employee retires under the Public School Retirement System of Missouri or the Non-Teacher School Employee Retirement System of Missouri.

5.13.1.7. Incapacity: Employee for any reason becomes either physically or mentally incapable of performing their job duties. Such incapacity must be expected to last more than six months, not necessarily consecutive. Termination will be at the discretion of the College administration giving consideration to the employee's rights under the Family and Medical Leave Act of 1993, other sections of this policy manual, or other appropriate federal or state statutes. The employee may be

eligible for long-term disability benefits under one of the College's two retirement programs.

5.13.2. Notice of Termination: The College will make a good faith effort to provide a minimum of two weeks notice of termination. Temporary employees, probationary employees, and employees being discharged for cause should be given reasonable notice, but no minimum notice is required.

5.13.3. Pay in Lieu of Notice: Pay in lieu of notice may be given at straight-time rate when giving notice is not practical. However, pay in lieu of notice should not be given in cases of termination during probation or discharge for serious infractions.

5.14. Grievance Procedure for Non-Faculty

5.14.1. Purpose

5.14.1.1. This grievance procedure will apply to administrative/management professional and classified staff. Faculty should see the Faculty Policy Manual for faculty grievance procedures.

5.14.1.2. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to individual grievances, which may arise regarding terms and conditions of employment.

5.14.1.3. If an employee seeks formal resolution of a grievance matter in any forum or by any set of procedures other than those established in the Article, whether administrative or judicial, the employer will have no obligation to proceed further with the matter.

5.14.2. Definitions

5.14.2.1. A grievance means a complaint by an employee that he/she/ has been adversely affected by a violation of North Central Missouri College's policies and practices regarding terms and conditions of employment.

5.14.2.2. The term "grievance" and the procedure relevant will not be deemed applicable in the following instances:

5.14.2.2.1. Disputes as to whether or not an established College policy or practice is good or otherwise. Such disputes will be pursued through other administrative channels.

5.14.2.2.2. Matters where the College is without authority to act or does not have the ability to provide a remedy.

5.14.2.2.3. Probationary employees relieved prior to the expiration of their probationary period; temporary employees released prior to or at the end of their temporary employment period; or employees laid off because of reduction in work force due to lack of funds, work or other legitimate reasons.

5.14.2.2.4. Employee complaints charging discrimination based on race, color religion, national origin, ancestry, sex, handicap or familial status, shall be administered

by the Personnel Office in accordance with procedures for discrimination charges.

5.14.3. Informal Procedure

5.14.3.1. No matter will be submitted under the grievance procedure unless the employee has first discussed it with the employee's immediate supervisor in an attempt to resolve the matter informally or the Personnel Office if the grievance relates to the immediate supervisor.

5.14.3.2. Should the matter not be resolved informally, the supervisor should refer the employee to the Personnel Office for explanation of the grievance procedure. Employees are free to write their own grievances without consulting with the Personnel Office, but supervisors should contact the Personnel Office as soon as practical after a grievance has been received.

5.14.4. Steps in Formal Grievance Procedure

5.14.4.1. An employee has the right to assistance by a representative of the employee's choosing at any step of the formal grievance and complaint procedure. The employee will pay cost of representation.

5.14.4.2. The grievance will be submitted within 20 working days following the act or condition complained, or within 20 working days after the employee became aware of the act or condition. A copy of the grievance is to be submitted to the Personnel Office by the Dean/supervisor of the area in which the grievance is filed.

5.14.4.3. The grievance will first be presented to the office of the appropriate Dean/supervisor. The Dean/supervisor will conduct a closed conference with the grievant and his/her representative within six working days following receipt of the grievance. At the conference the grievant will present to the Dean/supervisor all information which he/she deems pertinent to the grievance as well as other information within the grievant's knowledge and/or control that the Dean/supervisor requests. The Dean/supervisor will issue a written decision within six days following the conclusion of the conference, which will include findings, and conclusions. The grievance must contain a statement of the grievance, the facts upon which it is based, the North Central Missouri College policy allegedly violated, and the remedy being sought by the aggrieved employee. If the grievance relates to the Dean/supervisor, the first step will be presented to the next higher level supervisor.

5.14.4.4. If the grievance is not resolved the grievant may file a written request for review with the President of the College on a form prescribed in the Appendix. The request will be filed with the office of the President within five working days of the receipt of the above decision. The President or her/his designee will investigate the grievance in such a manner as the President deems appropriate, and will hold a closed meeting with the grievant and his/her representative in order to discuss the merits of the grievance and/or proposals for settlement. If no settlement is reached the President will proceed to issue a decision that will include findings and conclusions and which unless otherwise agreed, will be issued no later than 10 working days after the

receipt of the request for review. The decision of the President will be final in all grievances involving support staff or non-exempt employees.

5.14.4.5. If the grievance has not been resolved at Step 2, the grievant may seek a review of the President's decision by the Board. Such requests will be filed with the office of the President for transmittal to the Board on the forms prescribed in the Appendix, within five working days following receipt of the Step 2 decision. The Board will meet with the individual and discuss the grievance within ten working days following the receipt of the grievance by the Board. At this meeting, the Board will decide either to uphold the decision of the President or to make a final decision no later than 28 days following receipt of the request for review.

5.14.4.6. The decision of the Board will be the final agency decision in all grievances. If the employee is not satisfied with the outcome of the Board's decision, the grievance may be brought before the applicable statutorily authorized review body: the Board of Personnel Appeals, the Merit System Council, the Human Rights Commission, or any appropriate federal enforcement agency, while those grievances not allowed redress with the aforementioned may be pursued at district court level.

5.14.5. Exceptions to Time Limit

5.14.5.1. The time limits provided in this section will be strictly observed unless extended by written agreement of the parties. When any action which is required to be taken within a specified time period is not taken in time, the following will apply:

5.14.5.1.1. If the grievant fails to act within the time limits provided herein, the Administration will have no obligation to process the grievance and it will be deemed withdrawn.

5.14.5.1.2. If the Administration fails to act in time, the grievant may proceed to the next review level and any subsequently issued decision on the matter at the bypassed level will be void.

5.14.5.2. Any claim or grievance arising may be processed through this grievance procedure until resolution.

5.14.6. No Reprisals – No reprisals of any kind will be taken by the Board or Administration against any person because of participation in this grievance procedure.

- 5.15.6.5.2. No more than five percent of the eligible staff or one full-time equivalent, whichever is greater, will be granted sabbatical leaves during one year. The number of sabbatical leaves also will be limited by the availability of funds.
- 5.15.6.5.3. Individuals offered sabbatical leave may opt to take 12 months at half pay or up to six months at full pay.
- 5.15.6.5.4. The candidate for leave will submit a proposal to his/her supervisor outlining the purpose for and activities to be completed during the leave. The supervisor will make recommendations to the appropriate administrator with the President making the final recommendation to the Board of Trustees.
- 5.15.6.5.5. An individual taking sabbatical leave must agree in writing to return to his/her position for 12 months or repay the College the total amount received while on leave. In turn, the College agrees to return the person to his/her position or an equivalent one following the sabbatical. The person also agrees to provide a written report of his/her activities to the Board of Trustees upon completion of the leave.
- 5.15.6.6. Sick Leave
 - 5.15.6.6.1. Sick leave is the necessary absence from duty caused by illness, injury, pregnancy, or essential parenting responsibilities, exposure to contagious disease that requires quarantine, or the necessary absence from duty to receive a medical or dental examination or treatment. Sick leave must be used in no less than ½ day increments for exempt staff and in hourly increments for non-exempt staff and may be used until all sick leave credits are exhausted. Under the Family and Medical Leave Act of 1993 an employee may use up to 12 weeks of sick leave (and/or vacation leave) to care for the employee's child after birth or placement for adoption or foster care or to care for the employee's spouse, child, or parent who has a serious health condition. *revised 11/22/16*
 - 5.15.6.6.2. New employees will have five of his/her allocated sick days for use beginning with the first day of employment. Sick leave credits will be earned at the rate of one day per month of active employment without restriction as to the number of working days that may be accumulated.
 - 5.15.6.6.3. An employee may not accrue sick leave credits during a continuous leave of absence without pay which exceeds 15 calendar days, except while serving on jury duty, when subpoenaed as a witness, while in the National Guard, or on active military duty.
 - 5.15.6.6.4. An employee who has worked at least two years for the College and separates his/her employment is entitled to a lump sum payment equal to ¼ of the pay attributed to the employee's accumulated sick leave up to a maximum of 80 days (20 paid days). Payment for accumulated sick leave will be computed

on the basis of the employee's salary or wage at the time of termination. For sick leave earned PRIOR to July 1, 1987, the College will pay the employee \$10 for each unused day. Sick leave taken will be subtracted from leave earned after July 1, 1987, unless no such leave is available; then leave earned before July 1, 1987 may be used.

- 5.15.6.6.5. An employee who receives a lump sum payment for sick leave at separation and who is again employed by the College shall not be credited with any sick leave for which the employee has been paid.
- 5.15.6.6.6. Abuse of sick leave is cause for dismissal and forfeiture of the lump sum payments to which the employee would otherwise be entitled upon termination. A physician's certificate or other evidence to substantiate a sick leave charge may be required if a question of abuse exists.
- 5.15.6.6.7. For sick leave extending beyond three days, the College reserves the right to require a physician's statement regarding the employee's illness or injury, and verification that the employee is physically able to return to work.
- 5.15.6.6.8. Any holidays that fall during a period that an employee is on sick leave will be charged as a holiday and not taken off the total accumulated sick leave.
- 5.15.6.6.9. Because an employee's pay continues while on sick leave, no employee is entitled to be paid both sick leave and worker's compensation payments. An employee injured on the job has the option of taking either sick leave or worker's compensation payments. If the sick leave runs out, the employee may receive worker's compensation payments.
- 5.15.6.6.10. Advancing sick leave credits after an employee's earned sick leave credits have been expended is prohibited.
- 5.15.6.6.11. Employees may donate up to 10 days per year to an emergency leave pool, providing that they maintain a minimum balance of 20 days. A maximum of 30 days per fiscal year may be used by any one employee, not to exceed 60 days in a five-year period. The donated credits are for use in the event that the recipient has used all of his/her own sick leave and vacation leave days. Sick leave pool credits may be used for the illness or injury of the employee, their spouse, children, or other dependents as defined in *Emergency Leave*. Sick leave donations will be made in no less than ½ day increments.
- 5.15.6.6.12. If an employee has exhausted all his/her sick and vacation leave, the employee may apply for emergency sick leave pool donations. Applications are made through the Personnel Office. Donations are subject to limitations set forth in section 5.12.6.6.11. Supervisor's approval of leave and physician's certification of condition may be required.
- 5.15.6.7. Flex Leave Day: Each full-time employee may use one of his/her earned leave days each fiscal year as a Flex Leave Day. Flex Leave Days are used as per the guidelines for personal leave days and may be requested only after personal leave days for that fiscal year have been used. *added 8/24/14*

5.15.6.8. Emergency Leave

5.15.6.8.1. Emergency leave is defined as a necessary absence due to acute or critical illness or injury to an employee or member of their immediate family. Chronic illnesses do not apply to this policy and are covered under FMLA. *updated 9/25/09*

5.15.6.8.2. Emergency leave will be charged against an employee's sick leave credits.

5.15.6.8.3. The employee's immediate family includes parents, spouse, children, siblings, grandparents, current mother-in-law or current father-in-law, or members of the immediate household.

5.15.6.9. Personal Leave: All full-time employees are entitled to two days of paid personal leave each fiscal year. Personal leave requests will not be denied, but may be delayed or rescheduled if adequate provisions cannot be made for filling vacancies created on a particular day by employee absences or any other factors. The request for personal leave days will normally be made through usual channels of communication at least 24 hours in advance of the time to be used. Unused personal leave is not compensable and cannot be carried from one fiscal year to the next.

5.15.6.10. Bereavement Leave: Full-time employees are permitted a paid bereavement leave up to five working days for the death of an employee's spouse, child, sibling, parent, step-parent, grandparent or grandchild; a spouse's child, parent, step-parent, grandparent or grandchild; or a member of the employee's household. *revised 11/24/15*

5.15.6.11. Jury Duty or Subpoena: An employee summoned as a juror or subpoenaed as a witness may elect to take vacation/personal leave and retain all fees and allowances payable as a result of this service. Or the employee can choose not to take leave and forward such fees and allowances to the Business Office to be applied against wages due for the period of service.

5.15.6.12. Military Training Leave: Any employee who is a member of the organized militia of Missouri or who is a member of the organized or unorganized reserve corps or military forces of the United States will be given leave of absence with pay for a period of time not to exceed 15 working days in a calendar year for attending regular encampments, training cruises, and similar training programs of the organized militia of the military forces of the United States. Said employee will be entitled to leave of absence from the respective duties, without loss of time, pay, regular leave, impairment of efficiency rating, or of any other rights or benefits, to which otherwise entitled, for all periods of military services during which they are engaged in the performance of duty or training in the service of Missouri at the call of the governor and as ordered by the adjutant general. RSMo. 105.270

5.15.6.13. Public Service Leave: Any employee elected or appointed to public office will be entitled to a leave of absence without pay not to exceed 180 days per year, while such employee is performing public service. Any employee granted such leave will

return to work within ten days following the completion of the service for which the leave was granted.

5.15.6.14. Maternity/Paternity Leave: No employee may be terminated because of pregnancy or other parenting responsibilities. Under the Family and Medical Leave Act of 1993 an employee may use up to 12 weeks of sick leave (and/or vacation leave) to care for the employee's child after birth or placement for adoption or foster care or to care for the employee's spouse, child, or parent who has a serious health condition. In addition to sick leave and vacation, a reasonable leave of absence without pay will be granted to any employee not able to perform employment duties due to pregnancy, postpregnancy complications, or other essential parenting responsibilities. The period of leave of absence will be agreed upon by the College and the employee, but the maximum leave of absence will not exceed six months unless extended at the discretion of the employer, the total not to exceed one calendar year. Prior to the granting of the maternity/paternity leave, the College may require a certification of the need therefore. The employee must notify the College 15 days before returning to work and upon return will be employed at the same or a similar position held prior to maternity/paternity leave.

5.15.6.15. Parental Leave: *entire section added June 2018* North Central Missouri College will provide up to 4 weeks of paid parental leave to employees following the birth of an employee's child or the placement of a child with an employee in connection with adoption or foster care. The purpose of paid parental leave is to enable the employee to care for and bond with a newborn or a newly adopted or newly placed child. This policy will run concurrently with Family and Medical Leave Act (FMLA) leave.

5.15.6.15.1. Eligible employees must meet the following criteria: Have been employed with the college for at least 12 months, have worked at least 1,250 hours during the 12 consecutive months immediately preceding the date the leave would begin, and be a full-time, regular employee. In addition, employees must meet one of the following criteria: have given birth to a child, be a spouse or committed partner of a woman who has given birth to a child, or have adopted a child or been placed with a foster child (in either case, the child must be age 17 or younger). The adoption of a child by a new spouse is excluded from this policy.

5.15.6.15.2. Amount, Time Frame and Duration of Paid Parental Leave

5.15.6.15.2.1. Eligible employees will receive a maximum of four weeks of paid parental leave per birth, adoption or placement of a child/children. The fact that a multiple birth, adoption or placement occurs (e.g., the birth of twins or adoption of siblings) does not increase the four-week total amount of paid parental leave granted for that event. In addition, in no case will an employee receive more than 4 weeks of paid parental leave in a rolling 12-month period, regardless of whether more than one birth,

adoption or foster care placement event occurs within that 12-month time frame.

5.15.6.15.2.2. Each week of paid parental leave is compensated at 100 percent of the employee's regular, straight-time weekly pay.

5.15.6.15.2.3. Approved paid parental leave may be taken at any time during the six-month period immediately following the birth, adoption or placement of a child with the employee. Paid parental leave may not be used or extended beyond this six-month time frame.

5.15.6.15.2.4. Unless approved by their supervisor, employees must take paid parental leave in one continuous period of leave. Employees must use all paid parental leave during the six-month time frame indicated above. Any unused paid parental leave will be forfeited at the end of the six-month time frame.

5.15.6.15.2.5. Upon termination of the individual's employment at the college, he or she will not be paid for any unused paid parental leave for which he or she was eligible.

5.15.6.15.3. Coordination with Other Policies

5.15.6.15.3.1. Paid parental leave taken under this policy will run concurrently with leave under the FMLA; thus, any leave taken under this policy that falls under the definition of circumstances qualifying for leave due to the birth or placement of a child due to adoption or foster care, the leave will be counted toward the 12 weeks of available FMLA leave per a 12-month period. All other requirements and provisions under the FMLA will apply. In no case will the total amount of leave—whether paid or unpaid—granted to the employee under the FMLA exceed 12 weeks during the 12-month FMLA period.

5.15.6.15.3.2. After the paid parental leave is exhausted, the balance of FMLA leave will be compensated through employees' accrued sick, vacation and personal time. Upon exhaustion of accrued sick, vacation and personal time, any remaining leave will be unpaid leave.

5.15.6.15.3.3. The College will maintain all benefits for employees during the paid parental leave period just as if they were taking any other college paid leave such as paid vacation leave or paid sick leave.

5.15.6.15.3.4. If a college holiday occurs while the employee is on paid parental leave, such day will be charged to holiday pay; however, such holiday pay will not extend the total paid parental leave entitlement.

5.15.6.15.3.5. If the employee is on paid parental leave when the College offers administrative leave that time will be recorded as paid parental leave. Administrative leave will not extend the paid parental leave entitlement.

5.15.6.15.3.6. An employee who takes paid parental leave that does not qualify for FMLA leave will be afforded the same level of job protection for the

period of time that the employee is on paid parental leave as if the employee was on FMLA-qualifying leave.

5.15.6.15.4. Requests for Paid Parental Leave

5.15.6.15.4.1. The employee will provide his or her supervisor and the Business Office with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible). The employee must complete the necessary forms and provide all documentation as required by the Business Office to substantiate the request.

5.15.6.15.4.2. As is the case with all college policies, the institution has the exclusive right to interpret this policy.

5.15.6.15.5. Pregnant Workers Fairness Act (PWFA): North Central Missouri College is committed to providing a supportive work environment for employees affected by pregnancy, childbirth, or related medical conditions. In accordance with the PWFA, we will provide reasonable accommodations to qualified employees and applicants unless doing so would cause undue hardship. Employees wishing to request an accommodation should make the request through their supervisor and HR to complete an accommodations request form.

5.15.6.15.6. PUMP for Nursing Mothers Act: North Central Missouri College is committed to supporting nursing employees by providing reasonable break time and a private, non-bathroom space to express breast milk, in accordance with the PUMP Act. Adequate time provided to an employee to express breast milk as needed, for up to one year after the child's birth and a location, other than a bathroom, that is shielded from view and free from intrusion by coworkers and the public. Employees are entitled to reasonable break time each time they need to express breast milk, and the frequency and duration of breaks may vary based on the employee's needs.

5.15.6.16. Educational Leave: Any full-time employee may, upon request and approval of the supervisor, Human Resource Director and the President, be granted leave without pay or leave with pay if the employee arranges with the supervisor to make up the time absent from work for any number of hours per day or number of days per week for the purpose of taking any number of accredited courses. *revised 7/25/06*

5.15.6.17. Volunteer Leave: *entire section added June 2018* North Central Missouri College will provide all regular, full-time employees up to one day of paid time off from regularly scheduled work hours each fiscal year (July 1 - June 30) to support volunteer activities that enhance and serve the communities in which we live and work. NCMC encourages all eligible employees to use their Volunteer Leave to make a positive difference in their community and throughout the NCMC service region by supporting charitable efforts.

5.15.6.17.1. To be eligible for volunteer leave, the employee must have been employed with the college for at least **6 months** and be a full-time, regular employee in good standing.

5.15.6.17.2. Volunteer Leave Usage

5.15.6.17.2.1. Eligible employees will receive a maximum of one day of paid Volunteer Leave per fiscal year (July 1 – June 30).

5.15.6.17.2.2. Volunteer leave is compensated at 100 percent of the employee's regular, straight-time weekly pay.

5.15.6.17.2.3. Volunteer leave may be used only in one-half or full day increments during regular scheduled work hours.

5.15.6.17.2.4. Volunteer leave is refreshed at the beginning of each fiscal year and cannot be accrued or carried over into subsequent years.

5.15.6.17.2.5. Upon termination of the individual's employment at the College, he or she will not be paid for any unused paid volunteer leave for which he or she was eligible.

5.15.6.17.2.6. Employees must obtain verification of volunteer activities while using paid volunteer leave and provide to his/her supervisor.

5.15.6.17.2.7. Any abuse of this policy may result in permanent forfeiture of future use of volunteer leave.

5.15.6.17.3. Requests for Volunteer Leave

5.15.6.17.3.1. Employees must complete the Volunteer Leave Request form and submit the request to his/her supervisor at least one week before the requested time off. Approval of the request is at the discretion of the supervisor, based on the business and operational needs of the department.

5.15.6.17.3.2. If the supervisor determines that the requested time will conflict with business needs, they are encouraged to work with the employee to find a time that works for both the department and the employee.

5.15.6.17.3.3. Requests for volunteer leave will only be approved for qualifying charitable activities, programs, and organizations. Volunteer leave may not be used for organizations that discriminate based on race, color, age, gender, religious creed, veteran status, marital status, sexual orientation, pregnancy, childbirth, national origin or ancestry, physical or mental disability, medical condition or genetic information, or political affiliation.

5.15.6.17.3.4. For the purposes of this policy, a qualifying organization is defined as a non-profit, 501(c)(3) status organization; K-12 school; or government organization. Although religious organizations may be 501(c)(3) agencies, this leave does not apply to activities designed to promote religious beliefs.

5.15.6.17.3.5. For the purposes of this policy, qualifying activity is defined as volunteer work at a qualifying organization that serves to address a need

in the community and for which employees do not receive compensation for volunteer work. Qualifying activities must not include political activity while on duty or within any period of time during which an employee is expected to perform services for which he receives compensation. Volunteer leave may be used for voter engagement activities that are non-partisan and position neutral, such as elections assistant or voter engagement canvasser, but cannot be used for campaigning for candidates or other partisan activities. Qualifying activities must not lead, direct, or encourage any religious or antireligious activity in violation of the portion of the First Amendment of the Constitution of the United States prohibiting laws respecting an establishment of religion. This leave may not be used for any activity that would violate Missouri State statutes. Employees or supervisors who have questions regarding what constitutes acceptable qualifying activities should consult the Business Office.

5.15.6.17.4. Coordination with Other Policies

5.15.6.17.4.1. Volunteer leave may include the time required to travel to the volunteer site.

5.15.6.17.4.2. As with any activities that occur outside of college employment while an employee is using paid time off, North Central Missouri College is not liable for injuries incurred during volunteer leave.

5.15.6.17.4.3. As is the case with all college policies, the institution has the exclusive right to interpret this policy.

5.15.6.18. Leave without Pay

5.15.6.18.1. An employee desiring leave of absence without pay must obtain approval from his/her supervisor, appropriate Dean, and President. The maximum leave of absence will not exceed six months unless extended at the discretion of the College with a total not to exceed one calendar year. As a general policy, vacation leave, sick leave and personal leave must have been exhausted before leave without pay can be taken.

5.15.6.18.2. When on leave without pay, an employee retains none of the benefits or burdens of employment except a right to return to employment. If the leave extends 15 days, neither vacation nor sick leave credits accrue and the employer's contribution to medical insurance is discontinued. However, an employee may remain in group medical insurance by personally paying the amount of the employer's contribution. No holiday pay is paid for holidays that fall during leave without pay, nor is a person a College employee during such leave for purposes of College insurance coverage or use of College property or facilities including College vehicles.

5.15.7. Opportunities for Training and Advancement *revised 4/24/12*

- 5.15.7.1. General Guidelines: Career development opportunities shall be made available to all full-time employees who want to improve their service to NCMC and/or to upgrade personal or academic skills. Full-time employees may enroll in college courses, participate in on-site development and training programs, and attend relevant conferences, seminars and workshops. The conferences, seminars and workshops selected for the employees should relate directly to their current job responsibilities or to future job responsibilities as determined by their supervisor. College courses need not be specifically work-related, as long as attendance does not adversely affect the employee's performance. For the purpose of clarity, "work-related development" is defined as any class, seminar, workshop, or training program that the employee's supervisor deems applicable to a skill specific to an employee's job description.
- 5.15.7.1.1. Not-work-related-classes taken during the regular working day: a) must be approved by the supervisor, appropriate Dean and President; b) no release time with pay granted; c) employee may request vacation time, compensatory time, or personal days with approval by the supervisor and appropriate dean; and d) the cost of any books, supplies, lab and other course-related fees will be paid by the employee.
- 5.15.7.1.2. Work-related (as defined) classes taken during the regular working day: a) must be approved by supervisor, appropriate Dean and President; b) not required to make up the time; c) may be initiated by employer or supervisor.
- 5.15.7.2. NCMC Tuition Waivers *revised 7/31/17, 4/24/18, 3/28/2023* Full-time employees may enroll in credit courses at NCMC with a waiver of tuition, student development fee, facility fee, technology fee, and health fee. The cost of books, supplies, laboratory fees, and program-specific fees are the responsibility of the employee. The waiver excludes tuition for noncredit courses (e.g., lectures, community service courses, and continuing education courses), audited courses, and repeated courses. If a supervisor requests that a full-time or part-time employee take an audited course in relation to the individual's employment responsibilities, all tuition/fees for the course will be waived and instructional materials and supplies will be provided by the College. These materials and supplies are to be returned to the respective departments at the end of the course. In order to be eligible for a tuition waiver, employees must complete the Free Application for Federal Student Aid (FAFSA) for the corresponding academic year and meet the definition of Title IV financial aid eligibility, with the exception of dual credit and non-degree seeking students. The FAFSA and verification of FAFSA, if selected for verification, must be submitted to NCMC and finalized prior to the end of the term in which the waiver is to be applied. Waivers may not be applied to prior terms retroactively. Federal and state grants, including the Missouri A+ scholarship, and any tuition specific financial aid will be applied toward costs prior to the award of a tuition waiver. Employees, spouses/domestic partners, or dependents who are eligible for this waiver and

meeting criteria for the Missouri A+ scholarship, Pell Grant or other financial aid that covers tuition and general fees may receive a voucher for college textbooks, course fees, program-specific fees, and laboratory fees in the fall and spring semesters for up to \$500 and in the summer semester for up to \$250. Upon initial employment, waivers may not be applied to in-progress terms or applied retroactively. Should the employee cease to be employed at the College, whether through resignation or termination during the course of a semester in which the employee is enrolled at NCMC, in accordance with this policy, the employee will be allowed to complete the semester but will not be allowed to use the tuition/fee waiver for future enrollment.

5.15.7.2.1. The waiver may also be utilized by spouses/domestic partners and dependents of full-time NCMC employees. For the purpose of tuition waivers only, dependents are those individuals defined as an unmarried child under the age of 24, and/or a disabled child over the age of 24. Employees seeking a waiver for a spouse/domestic partner and/or dependent must submit a Dependent Eligibility Verification (DEV) form along with the waiver. Spouses/domestic partners and/or dependents must meet the same guidelines and are subject to the same restrictions listed in 5.15.7.2. Dependents who will be enrolled in high school while taking college courses are exempt from completing the FAFSA. Individuals must be eligible to receive a waiver in the semester in which they use the waiver.

5.15.7.2.2. For individuals who have retired from North Central Missouri College with at least five years of service but are not yet 65 years of age, tuition will be waived for the retired employee but not for their dependents.

5.15.7.2.3. Tuition waiver forms and DEV forms are available from the Financial Aid Office. Waiver forms must be signed by the NCMC Human Resources Department and the College President. Waiver forms must be submitted to NCMC's Financial Aid Office by the final payment deadline of the term for which the waiver is requested.

5.15.7.3. Tuition Reimbursements for Colleges other than NCMC: NCMC will reimburse tuition paid by NCMC employees (faculty, staff or administrators) up to \$70 per credit hour for courses taken at colleges other than NCMC. The total reimbursement expenditure for all employees shall not exceed the fiscal year budget for tuition allowances, and reimbursements shall be made during the last month of the fiscal year.

5.15.7.3.1. Any course(s) taken under this plan must be relevant to the employee's current position at NCMC and approved by the appropriate administrator and the President prior to enrollment, with the employee being reimbursed upon successful completion of the course(s). Tuition reimbursements are not guaranteed and are subject to budget restrictions.

5.15.7.3.2. Employees accepting such reimbursements will agree in writing to remain in the employ of NCMC for two years after completion of the course(s) for which

reimbursements are made. Those who leave NCMC less than one year after completion of the course(s), unless they are terminated or laid off by NCMC, will repay the College 100% of the reimbursed amounts. Those who leave NCMC after one year but less than two years after completion of the course(s), unless they are terminated or laid off by NCMC, will repay the College 50% of the reimbursed amounts.

Leaves of absence cannot be used as part of the time necessary to qualify for tenured status on the North Central Missouri College faculty. Group Health/Life/Disability insurance coverage related to the position from which the leave is taken must be arranged through the Human Resources Office according to the policies established by the Board. The faculty member will pay the full premium during the leave of absence. Persons on sabbatical

leave will accrue normal salary increments and other benefits such as sick leave, insurance, and retirement benefits.

5.16.7.2.4. Leave Activities: Persons taking a sabbatical leave will agree to carry out specified activities during their leave. It is expected these activities will meet written objectives set forth in the candidate's proposal. The nature and objectives of the proposed sabbatical leave should include a detailed account of proposed sabbatical activities. The relationship of the proposed sabbatical leave to the applicant's field of expertise is to be demonstrated as well as the anticipated contribution of the proposed sabbatical leave to the enhancement of teaching and/or course and curriculum development at NCMC. The appropriateness of each candidate's proposed leave activities must be considered and agreed upon by the Faculty Standards Committee and the Vice President for Academic Affairs and/or D. The faculty member must submit to the Vice President for Academic Affairs and/or Dean of Instruction a written report outlining his/her accomplishments during the leave. One Semester	50%	75%
Two Semesters	None	50%
Three Semesters	None	25%
Four Semesters	None	None

North Central Missouri College will agree in writing that persons taking sabbatical leaves will be returned to their former position or to a position with at least the same pay and professional responsibilities. Persons not completing sabbatical leave activities because of illness, injury, or other uncontrollable circumstances will be excused from repayment. The Vice President for Academic Affairs and/or Dean of Instruction will decide if activities have been satisfactorily completed. 5.16.7.2.8. Incapacity: In the event that a faculty member becomes incapable of performing the regular responsibilities incident to employment, and if sick leave and a maximum of three (3) academic semesters (i.e. the semester in which the leave of absence was granted and the two (2) subsequent academic semesters, excluding summer) of leave without pay have been exhausted without correction of the disability, then the College will assist the faculty member in pursuit of rights under workers' compensation or long-term disability insurance, and where feasible, will seek to reemploy the faculty member in any other position for which the faculty member is qualified and capable of performing.

5.16.8. Discipline and Discontinuance of Employment:

- 5.16.8.3. Suspension: The President may place any faculty member on suspension with pay, or reassign an instructor to other duties in the event it would be, in the judgment of the President, in the best interest of the College, the students served by the faculty member, or the faculty member himself or herself or the President may suspend the individual from performance of assigned duties pending the outcome of any criminal, disciplinary, or discharge proceedings, or resolution of pertinent personnel or personal problem.

- 5.16.10.2.2. When a division, program, or discipline is curtailed or discontinued because of inadequate enrollment. However, prior to initiating a retrenchment in a particular program or discipline due to inadequate enrollment, the administration shall reassign sufficient teaching load from part-time instructors teaching in that program or discipline to secure a full-time teaching load for a full-time faculty member. In determining whether retrenchment is necessary and in selecting the areas where the terminations will occur, primary consideration will be given to the College's responsibility to offer an appropriate range of courses and programs; and to maintain a balanced institutional effort that is responsive to the needs of the students.
- 5.16.10.3. Retrenchment Procedure
- 5.16.10.3.1. If the Administration determines that the potential for retrenchment exists, the President will submit to the Faculty Senate a Statement of the College's situation supported with the appropriate facts and figures necessary for the Faculty Senate to analyze and review. Within 30 calendar days the Senate shall submit its recommendation with supporting documents and rationale to the President. In the event the Senate does not report within the stipulated time, and/or within the specific areas, the President may proceed with his/her recommendation to the Board.
- 5.16.10.3.2. The President and the Faculty Senate will meet and discuss the report of the Faculty Senate and attempt to agree upon a single recommendation to the Board. If they cannot agree, the Faculty Senate shall submit its own plan to the Board separately.
- 5.16.10.3.3. The President shall prepare his/her recommendation for the Retrenchment Plan which (1) documents the need for retrenchment; (2) identifies the number of positions to be terminated by division, program, or discipline; and (3) any other relevant supporting information. He/she shall submit his/her plan to the Board.
- 5.16.10.3.4. The Board shall make the final decision on whether retrenchment is necessary and shall instruct the President to implement the plan as approved.
- 5.16.10.4. Faculty Rights: In all cases of retrenchment, faculty members will have the following rights:

- 5.16.10.4.1. Retrenchment shall be in the reverse order of seniority in the division, program, discipline which has been identified for retrenchment. Seniority shall mean the number of days of continuous full-time service on College operating funds, including authorized leaves of absence. The academic year shall constitute a year of service and no additional seniority shall be accrued for any assignment beyond the academic year. When seniority is equal between or among faculty members, ranking shall be determined by advanced preparation.
- 5.16.10.4.2. No tenured faculty member shall be terminated if non-tenured faculty members are retained in a discipline to teach courses the tenured faculty member is qualified and capable of teaching.
- 5.16.10.4.3. A faculty member shall be reassigned rather than be terminated if the faculty member satisfies the qualifications for a position in a division, program, or discipline in which there is a less senior faculty member, in accordance with the seniority list in the Appendix.
- 5.16.10.4.4. The faculty member shall retain his/her former salary and tenure status.
- 5.16.10.4.5. Any faculty member selected for termination shall have the right to apply for any existing open non-academic position at the College, and in the absence of a candidate with clearly superior qualifications, the faculty member shall be given employment preference. In this situation, the faculty member shall receive the salary established for the new position and shall lose faculty status and tenure.
- 5.16.10.4.6. The President will notify in writing the persons affected by the retrenchment. Each tenured faculty member selected for termination shall be so informed by May 1 of the current academic year. The Board's decision on the necessity for retrenchment, the number of faculty members to be terminated, and the division, program, or discipline in which the terminations are to occur are not grievable, negotiable or contestable. However, seniority and order of retrenchment are grievable.
- 5.16.10.4.7. Recall procedure: Whenever there is a vacancy or anticipated vacancy laid-off faculty members who are qualified to perform the work in question will be recalled in order of seniority. No new faculty shall be employed by the Board while there are faculty members on layoff, unless none of the faculty members on layoff are qualified to fill the position in question. Notice of recall will be given by registered mail to the last address given to the College by a faculty member. A copy of the notice of recall will be given to the Faculty Senate. If a faculty member fails to respond within 10 calendar days after receipt of the above notice of recall, the faculty member will be deemed to have refused the position offered. A faculty member who is laid off will remain on the recall list for three years after the effective date of layoff unless the faculty member: a) Waives recall rights in writing; b) Resigns; c) Fails to accept recall to the position held immediately prior to layoff or to a substantially equivalent position; e) Fails

to report to work in a position that he/she has accepted unless such employee is sick or injured. If a faculty member has secured temporary employment elsewhere, he/she will be allowed up to one academic semester before being required to report for work.

This investment policy applies to all financial assets of the District. Any and all funds currently existing or anticipated are included unless specifically excluded by the College officials or set aside in a special escrow account.

6.4.4.2. The Chief Financial Officer and Senior Accountant are the only authorized personnel to conduct investment transactions for the District. 6.4.4.5.1. The College may invest public funds in certificates of deposit, savings accounts or interest-bearing time deposits when such funds are held in United States banks, state banks, savings and loan associations operating under Chapter 369 RSMo., or savings and loan associations authorized by the United States government, so long as such deposits, savings accounts, and interest bearing deposits are secured by one or more of the types of securities described below.

6.4.4.5.2. Collateral shall be required on all qualified investments. In order to anticipate market changes and provide a level of security for all funds, the collateral value of the pledged security shall be at least 100% of the actual amount of funds invested with the depository, less the amount, if any, insured by FDIC. - 6.12. **Travel Policy**
- 6.12.1. Definitions: The College will incur or reimburse travel expenses that are reasonable and necessary for business purposes of the College. Employees are urged to use common sense, good judgment, and reasonability for travel-related expenses. Reimbursement for expenditures incurred for meetings, conferences, and work-related activities on behalf of the College will be made in accordance with Board policy and administrative procedures. The Travel Claim Voucher is used for the reimbursement of travel expenses. All travel-related expenses should be reported on this form in order to receive reimbursement. Receipts and invoices for expenses must be attached to the voucher. Reported expenses without receipts will not be paid. The Travel Claim Voucher must be signed by the employee, Supervisor, and/or Dean before it is delivered to the Business Office for payment. *Travel policy updated 6/25/19*
- 6.12.2. Transportation:

- 6.12.2.1. NCMC personnel may travel by commercial air on College business when it is as economical as other allowable transportation and/or when in the opinion of the President and/or appropriate Dean it is in the best interest of the College. Ticket reservations should be made by the individual and actual costs of coach air fare may be claimed. Travelers should select the least costly air route, considering advance purchase rates and airline discounts.
- 6.12.2.2. Travelers may drive their personal vehicle on College business trips and be reimbursed at the standard IRS mileage rate for the time period the travel occurred. College employees using personal automobiles to travel on official College business must maintain adequate liability insurance for their protection and for the protection of any passengers. Employees are responsible for insuring their own vehicles. In the event of an accident, the owner's personal insurance provides coverage and the owner is personally responsible for any deductible payable. The College does not provide any coverage for comprehensive or collision for personal vehicles used for business. If the cost of mileage exceeds reasonable airfare costs for a trip, the College will only reimburse for airfare cost unless there is justification that automobile travel was necessary. If several people travel together in a privately owned vehicle, only the driver of the vehicle may claim mileage costs.
- 6.12.2.3. Full-time employees assigned to more than one location as part of their regular duties will be reimbursed for the additional mileage incurred over and above the normal round trip from their home or the primary worksite, whichever is the lesser mileage.
- 6.12.2.4. All taxis, bus fares, ferry, bridge and road tolls, or parking charges incurred while on official business may be claimed when properly itemized on the College travel expense voucher.
- 6.12.3. Lodging: Receipts for lodging must be submitted with the completed College Travel Claim Voucher and will show the items for which the charge was made. Employees are encouraged to utilize hotels that offer government/college corporate rates. Hotel stays within the State of Missouri should not have state sales tax applied to the bills. Employees are responsible for presenting the College's Tax Exemption Letter prior to paying the hotel bill.
- 6.12.4. Meals: The actual cost of meals and reasonable gratuities are reimbursable with an itemized food receipt. The purchase of alcohol is not reimbursable. The federal per diem rate should be used to judge the reasonableness of meal costs incurred. If per diem rates are unavailable, reasonable judgment should be used when considering the cost of the meal. Tips for meals in excess of 15% to 20% of meal cost are generally not appropriate and therefore will not be reimbursed.
- In the event an itemized receipt is misplaced or not available, an employee may be reimbursed a flat rate for meals. Meals will be reimbursed as follows: \$5 for breakfast, \$10 for lunch, and \$15 for dinner for a daily maximum of \$30.

Supervisors are responsible for determining the necessity of a meal or meals being requested by an employee for reimbursement based on work and travel requirements.

6.12.5. Other Permissible Expenditures:

6.12.5.1. All other reimbursable expenditures will be listed on the Travel Claim Voucher for reimbursement such as conference registration fees, porter fees, telephone, etc.

6.12.5.2. Before any College employee submits a voucher for reimbursement it is incumbent upon the employee to be familiar with all regulations concerning reimbursement in order to stay within budgetary limitations and provide necessary receipts with the claim submission.

6.12.5.3. To be eligible for reimbursement of travel expenses an employee must be on travel time on College business. If a person is to receive a consulting fee or honorarium from any source while on travel time, he/she must obtain a ruling from his/her Dean, the Chief Financial Officer, and the President as to the amount of travel expenses they may claim.

6.12.6. Travel Advances: For those travel expenditures (excluding mileage) estimated to exceed \$50 for any one trip, the employee may request an advance. The amount of this advance must be requested at the time the travel requisition is prepared and approved by the Chief Financial Officer.

6.12.7. Regulations for Payment of Athletic Department Travel Expenses and Travel Claim Vouchers: The following regulations will apply to payment of travel expenses for teams participating in athletic competition:

6.12.7.1. Reasonable travel expenses will be budgeted and give a complete explanation of the purpose of travel.

6.12.7.2. Reasonable travel expenses will be paid by the College for teams to participate in national tournaments when they qualify for such tournaments by winning the required sub-regional and regional competitions.

6.12.7.3. The College will not pay expenses for team travel other than as outlined above, except that, with approval of the Board of Trustees, travel expenses may be provided for special in-season trips that are partially or fully funded from non-College funds. Non-College funds to pay for the trip must be committed before the trip is approved.

6.12.7.4. Traveling team size will be limited to the number of players that may be reasonably expected to participate in the scheduled games plus coaches and managers.
