

Welcome
ABOARD!

You'll love being a Pirate!

Welcome, everyone! My name is Carli Beck, I'm from Gallatin, Missouri, and I'm very excited to be your Student Senate President this year. I'm currently a second year student at North Central Missouri College studying Elementary Education.

I chose NCMC because it has the small town feel that I am used to. NCMC's small class sizes allow you to get to know your instructors and for them to get to know you. My instructors have ensured me that they care about my success, goals and my potential as a future educator. Additionally, NCMC has many free resources in our library and tutoring center that will help you succeed academically.

Coming to NCMC has given me the opportunity to continue my education affordably while having the opportunity to be an active leader on campus, as an Resident Assistant, Student Ambassador, and Student Senate President. My goal as a leader on campus is to ensure a safe and enjoyable environment for students to get a great education and become successful as a student and individual.

Being a Pirate comes with a lot of treasures and I wouldn't change my journey at all. I look forward to meeting you on our great campus. You'll love being a Pirate!

Residence Halls

Living on campus fosters a sense of community and belonging, removes the stresses of maintaining a private residence, and allows you to always be connected to the Pirate community. NCMC offers traditional dorm-style living in Ellsworth and Selby Halls, and suite-style living in the Pirate Plaza!

TOP *Five* REASONS TO LIVE ON CAMPUS

- 1. CONVENIENCE** Your classes, the dining hall, the library and campus events are just a walk away. Plus, the Ketcham Community Center is right across the road!
- 2. ACADEMIC SUCCESS** Students who live on campus earn higher GPA's and have a higher graduation rate.
- 3. SAVE SOME SERIOUS \$\$\$** The average student saves 25% of their housing expenses by living on-campus instead of off-campus. Most people think only about rent and not all the deposits, fees, and utility costs.
- 4. FRIENDS AND SOCIAL OPPORTUNITIES** Many students make life-long friendships while living on campus. There's always something going on whether it's an activity planned by the Res Life Coordinators or just hanging out in the res hall lounge with your friends.
- 5. SAFETY** On campus, you get specific care for your safety in terms of procedures for weather emergencies, locked doors, and security checks of the building.

Finance YOUR EDUCATION

- ▶ Complete the Free Application for Federal Student Aid (FAFSA) at fafsa.gov using North Central Missouri College (NCMC) school code 002514.
- ▶ Create an FSA ID at studentaid.gov/fsa-id before completing the FAFSA. You will use your FSA ID to make corrections to your FAFSA, sign master promissory notes, complete entrance counseling, look up personal data on federal systems, etc. It is very important that you retain and protect your FSA ID.
- ▶ By completing the FAFSA you will be applying for federal financial assistance.* If you complete the application prior to February 1 and you are a Missouri resident, you are automatically considered for state financial assistance.
- ▶ In order to receive a timely financial aid offer, applications/documents for financial aid must be completed by the priority deadline in which you plan to enroll. Priority deadline for fall enrollment is July 1; spring enrollment, November 1; summer enrollment, April 1.
- ▶ If transferring to NCMC in the middle of an academic year, be sure to cancel all financial aid disbursements from the school you're transferring from so your aid may be processed at NCMC.
- ▶ Once your FAFSA is processed by the Department of Education, some students are randomly selected for a process called "verification." If you are selected for verification, the Financial Aid Office will notify you of any documentation needed to verify your application.
- ▶ After NCMC receives and processes your FAFSA application, you will be mailed your Notification of Financial Aid Offer to review. You may also review this information through myCOMPASS > Finances/Financial Aid.
- ▶ Complete the NCMC Scholarship Application prior to March 31 at ncmissouri.edu/foundation/foundation-scholarships.

*To receive federal financial assistance, you must meet all Admissions requirements and be a student who is taking courses leading to a degree at NCMC.

HOW DO MEAL PLANS WORK?

All students living on campus must have a meal plan for the dining hall. However, anyone can take advantage of campus dining services by paying out of pocket per meal during regular dining hall hours.

All residents must carry a meal plan. Those housed in Ellsworth or Selby Halls will have an All Access plan, and those living in the Pirate Plaza can choose between All Access or the 8-meal plan. The dining hall is open for breakfast, lunch, and dinner through the week and for brunch only on the weekends.

Students living on campus will have the cost of their meal plan included with their room and board charges each semester.

OAR is NCMC's new student orientation and consists of an introduction to campus, group or individual academic advising, and registration in your classes for your first semester. Every new NCMC student is required to attend an OAR session.

ADVISEMENT & CLASS SCHEDULE

Our Academic Advisors take a proactive approach to advising and registration. Your class schedule is created before you attend OAR, and it is based on recommendations from the academic department in which you will be completing a degree, prior college credit, and your course preferences. During OAR, you will have the opportunity to accept your pre-registered schedule or make necessary changes.

RESERVE YOUR SPOT

Register for your OAR date online as soon as you can! Visit registerblast.com/ncmcoar/activity to register for your preferred date. Seating is limited for each session.

All new students are required to attend. Parents or family members are welcome, but due to limited seating, we ask that each student bring a maximum of two guests.

DO YOU NEED PLACEMENT TESTING?
