III. UPDATES

This agreement is developed using the NCMC 2017-2018 Academic Catalog, the 2017-2018 CC Academic Catalog and the 2017 General Articulation Agreement between the two institutions. The very nature of higher education results in periodic curriculum changes. Should these changes occur to either the NCMC AA with an emphasis in Business degree or the CC BA Business Administration degree, the institution with the change will notify the partner institution and a new Education Plan will be developed, if necessary.
