My signature below affirms the following:

- NCMC is currently Title IV eligible.
- Upon enrollment of the student, NCMC shall serve as the home institution and will grant the degree or certificate upon the successful completion of coursework by the student.
- NCMC will only provide financial assistance for courses that are applicable to the student's certificate or degree program.
- NCMC will administer all financial assistance and monitor the student's eligibility for the applicable enrollment period.
- The student has applied for admission as a degree-seeking student in an eligible program or is pursuing a certificate.
- NCMC will calculate awards based on the following:
  - The student's total enrollment status at the home and host institutions and the student's eligibility for federal financial aid.
  - Cost of Attendance will be based on total tuition and fees at the home and host institutions and the home institution's allowance for books/supplies/room/board/transportation/misc. expenses.
- NCMC will disburse and refund remaining Title IV, HEA program credit balances within the 14-day regulatory timeframe via a student-authorized electronic transfer to a student-owned debit card or via a paper check. Pell eligible students will be able to obtain books and supplies by the 7th day of the payment period.
- Satisfactory Academic Progress (SAP) will be monitored at the end of each term, based on three standards: grade point average, credit hour completion ratio and maximum timeframe.
- Financial aid records, including documentation required for the student to receive aid through the consortium process, will be kept for a period of at least three years, in paper format, after the end of the award year for which the aid was awarded and disbursed. Electronic records will be maintained for an unlimited number of years.
- In the event the student withdraws, a Return to Title IV calculation will be completed.
- Tuition, fees, and room and board costs are set by the Board of Trustees in the spring semester for the following fall, spring and summer terms. All current costs are listed on the NCMC website: <https://www.ncmissouri.edu/>
- I have reviewed the terms of the consortium agreement with the student and, to the best of my knowledge; the student meets the listed requirements.
