

MISSOURI REVERSE TRANSFER  
*seamless associate degree completion*

### **What is Missouri Reverse Transfer?**

The process of allowing college students or former college students who have completed credits for an associate degree to receive that degree even if they have transferred to a different college or university, or stopped out of higher education altogether.

Missouri has moved forward with a statewide policy to help more Missourians earn degrees.

### **What are the benefits?**

- Earn your associate degree while pursuing your bachelor's degree
- Open the door to more job opportunities and higher pay
- Possibly meet general education requirements at your 4-year transfer institution

### **Are you eligible?**

You must have earned a minimum of 15 credit hours at a single two-year institution to be eligible for a reverse transfer degree. Students are not eligible for the program if they currently possess an associate degree or higher.
