

Transfer Credit Re-Evaluation Appeal

The Registrar's Office provides credit evaluations of coursework based on official transcripts from all institutions attended prior to enrollment at North Central Missouri College. College policy governs these evaluations, but students have the right to request that prior coursework be reviewed for potential credit beyond what is received in the initial evaluation. Students may use this form to request a re-evaluation of any transfer credit from the appropriate NCMC academic department. This form may be duplicated for multiple requests.
